

## Underground Activities Underground Activities

It may be a revelation to many people that the global drug trade is controlled and run by the intelligence agencies. In this global drug trade British intelligence reigns supreme. As intelligence insiders know MI5 and MI6 control many of the other intelligence agencies in the world (CIA, MOSSAD etc) in a vast web of intrigue and corruption that has its global power base in the city of London, the square mile. My name is James Casbolt, and I worked for MI6 in black ops cocaine trafficking with the IRA and MOSSAD in London and Brighton between 1995 and 1999. My father Peter Casbolt was also MI6 and worked with the CIA and mafia in Rome, trafficking cocaine into Britain. My experience was that the distinctions of all these groups became blurred until in the end we were all one international group working together for the same goals. We were puppets who had our strings pulled by global puppet masters based in the city of London. Most levels of the intelligence agencies are not loyal to the people of the country they are based in and see themselves as super national.

It had been proven beyond a shadow of a doubt that the CIA has been bringing in most of the drugs into America for the last fifty years (see ex LAPD officer Michael Ruperts From the wilderness website for proof). The CIA operates under orders from British intelligence and was created by British intelligence in 1947. The CIA today is still loyal to the international bankers based in the city of London and the global elite aristocratic families like the Rothschilds and the Windsors. Since it was first started, MI6 has always brought drugs into Britain. They do not bring some of the drugs into Britain but I would estimate MI6 bring in around ninety percent of the drugs in. They do this by pulling the strings of many organised crime and terrorist groups and these groups like the IRA are full of MI6 agents. MI6 bring in heroin from the middle east, cocaine from south America and cannabis from morocco as well as other places. British intelligence also designed and created the drug LSD in the 1950s through places like the Tavistock Institute in London. By the 1960s MI5, MI6 and the CIA were using LSD as a weapon against the angry protestors of the sixties and turned them into flower children who were too tripped out to organise a revolution.

Dr Timothy Leary the LSD guru of the sixties was a CIA puppet. Funds and drugs for Learys research came from the CIA and Leary says that Cord Meyer, the CIA agent in charge of funding the sixties LSD counter culture has "helped me to understand my political cultural role more clearly". In 1998, I was sent 3000 LSD doses on blotting paper by MI5 with pictures of the European union flag on them. The MI5 man who sent them told my father this was a government signature and this LSD was called Europa.

This global drugs trade controlled by British intelligence is worth at least 500 billion a year. This is more than the global oil trade and the economy in Britain and America is totally dependent on this drug money. Mafia crime boss John Gotti exposed the situation when asked in court if he was involved in drug trafficking. He replied "No we cant compete with the government". I believe this was only a half truth because the mafia and the CIA are the same group at the upper levels. In Britain, the MI6 drug money is laundered through the Bank of England, Barclays Bank and other household name companies. The drug money is passed from account to account until its origins are lost in a huge web of transactions. The drug money comes out cleaner but not totally clean. Diamonds are then bought with this money from the corrupt diamond business families like the Oppenheimers. These diamonds are then sold and the drug money is clean. MI6 and the CIA are also responsible for the crack

cocaine epidemic in Britain and America. In 1978, MI6 and the CIA were in south America researching the effects of the natives smoking basuco cocaine paste. This has the same effect as crack cocaine. They saw that the strength and addiction potential was far greater than ordinary cocaine and created crack cocaine from the basuco formula. MI6 and the CIA then flooded Britain and America with crack. Two years later, in

1980, Britain and America were starting to see the first signs of the crack cocaine epidemic on the streets. On August 23, 1987, in a rural community south of Little Rock in America, two teenage boys named Kevin Ives and Don Henry were murdered and dismembered after witnessing a CIA cocaine drop that was part of a CIA drug trafficking operation based at a small airport in Mena, Arkansas. Bill Clinton was the governor of Arkansas at the time. Bill Clinton was involved with the CIA at this time and \$100 million worth of cocaine was coming through the Mena, Arkansas airport each month. For proof

see the books *Compromise* and *Dope Inc.*

On my father's international MI6 drug runs, whatever fell off the back of the lorry so to speak he would keep and we would sell it in Britain. As long as my father was meeting the speedboats from Morocco in the Costa del Sol and then moving the lorry loads of cannabis through their MI6, IRA lorry business into Britain every month, British intelligence were happy. As long as my father was moving shipments of cocaine out of Rome every month, MI5 and MI6 were happy. If my father kept a bit to sell himself no one cared because there was enough drugs and money to go round in this £500 billion a year global drugs trade. The ones who were really paying were the people addicted. Who were paying with suffering. But karma always catches up and both myself and my father became addicted to heroin in later years and my father died addicted, and poor in prison under very strange circumstances. Today, I am clean and drug-free and wish to help stop the untold suffering this global drugs trade causes. The intelligence agencies have always used addictive drugs as a weapon against the masses to bring in their long term plan for a one world government, a one world police force designed to be NATO and a micro chipped population known as the New World Order. As the population is in a drug or alcohol-induced trance watching Coronation Street, the new world order is being crept in behind them.

To properly expose this global intelligence run drugs trade we need to expose the key players in this area:

- 1- Tibor Rosenbaum, a MOSSAD agent and head of the Geneva based Banque du Credit international. This bank was the forerunner to the notorious Bank of Credit and Commerce international (BCCI) which is a major intelligence drug money laundering bank. Life magazine exposed Rosenbaum's bank as a money launderer for the Meyer Lansky American organised crime family and Tibor Rosenbaum funded and supported Permindex the MI6 assassination unit which was at the heart of the John F. Kennedy assassination.
- 2- Robert Vesco, sponsored by the Swiss branch of the Rothschilds and part of the American connection to the Medellin drug cartel in Columbia.
- 3- Sir Francis de Guingand, former head of British intelligence, now living in south Africa (and every head of MI5 and MI6 has been involved in the drug world before and after him).
- 4- Henry Keswick, chairman of Jardine Matheson which is one of the biggest drug trafficking operations in the world. His brother John Keswick is chairman of the bank of England.
- 5- Sir Martin Wakefield Jacomb, Bank of England director from 1987 to 1995, Barclays Bank Deputy Chairman in 1985, Telegraph newspapers director in 1986 ( This is the reason why this can of worms doesn't get out in the mainstream media. The people who are perpetrating these crimes control most of

the mainstream media. In America former director of the CIA William Casey was, before his death in 1987, head of the council of the media network ABC. Many insiders refer to ABC as The CIA network.)

6- George Bush, Snr, former President and former head of the CIA and Americas leading drug baron who has fronted more wars on drugs than any other president. Which in reality is just a method to eliminate competition. A whole book could be written on George Bushs involvement in the global drug trade but it is well-covered in the book Dark Alliance by investigative journalist Gary Webb.

Gary Webb was found dead with two gunshot wounds to the back of his head with a revolver. The case was declared a suicide. You figure that out. Gary Webb as well as myself and other investigators, found that much of this black ops drug money is being used to fund projects classified above top secret. These projects include the building and maintaining of deep level underground bases in Dulce in New Mexico, Pine gap in Australia, Snowy mountains in Australia, The Nyala range in Africa, west of Kindu in Africa, next to the Libyan border in Egypt, Mount Blanc in Switzerland, Narvik in Scandinavia, Gottland island in Sweden and many other places around the world (more about these underground bases in my next issue). The information on this global drugs trade run by the intelligence agencies desperately needs to get out on a large scale. Any information, comments or feedback to help me with my work would be greatly welcomed.

After the completion of my last article MI6 are the lords of the global drug trade I must now present the full picture as to what the intelligence community drug trafficking money is being used for.

I need to do this for many reasons. The truth must come out and I need to protect my family and myself. If any of us were to come to a premature end it would only add more credibility to what I am saying. Therefore by presenting the following I am protecting us.

Government harassment and surveillance of me has increased since going public with the last article. I believe this has now become a national security issue. I have had my life threatened, men situated in the hotel opposite my flat taking photographs of me using a high tech, long range camera which uses a blue laser, my phone line and my girlfriends mothers phone line tapped, my information hacked into and taken off multiple websites and e-mails from government officials blocked.

I believe this is because I am leaking information on projects classified above top secret which I will go into in detail in this article. The intelligence run drug trafficking is only classified secret.

My name is James Casbolt and I worked in MI6 covert cocaine trafficking operations with the IRA in London between 1995 and 1999. My father Peter Casbolt was also MI6 and worked with the CIA and mafia in Rome in 1993 on covert cocaine and heroin trafficking operations.

The global drugs trade run by many factions of the global intelligence community co-operating together (MI6, CIA, MOSSAD etc) is worth at least £500 billion a year. This is more than the global oil trade. MI6 control many of the other intelligence agencies in the world. MI6 created the CIA in 1947 and still control them today. This black ops drug money or in classic Orwellian terms, MI6/CIA non-appropriated funds is being used to fund government and military projects classified Above top secret.

These operations include a huge worldwide UFO cover up and the building and maintaining of deep underground military bases (D.U.M.B.S).

There are many of these bases worldwide but here is small list.

1- Dulce in New Mexico 2-Brecon Beacons in Wales 3-Los Alamos in Mexico 4- Pine Gap in Australia

5- The Snowy mountains in Australia 5- The Nyala range in Africa 6- West of Kindu in Africa 6- Next to the Libyan border in Egypt 7- Mount Blanc in Switzerland 8- Narvik in Scandinavia 9- Gottland island in Sweden and many other places. These projects are being run by a secret, unelected international governing body connected to the U.N.

There are at least 1400 of these D.U.M.B.S worldwide. 131 in the US. With 2 underground bases being built per year in the US at the moment. The average depth of the bases are four and a quarter miles underground ( some shallower and some deeper ). The bases are on average the size a medium sized city. Each DUMB base costs between 17 and 26 billion dollars to build which is funded by MI6/CIA drug money. Each underground base employs 10000 to 18000 workers. A nuclear powered drill it used to dig underground. This drill goes through rock at a tremendous rate and literally melts the rock away to form a smooth glass like surface around the edges of the tunnels.

On May 20 I personally received information from a former member of the NSA (National security agency) through a third party. I wish to protect this mans identity and so I will call him G. This is the first time this information is being made public.

G was subcontracted by the NSA in the late 1980s and worked for the NSA until 1992. He was a senior electrical engineer in the Los Alamos underground base in New Mexico. G also worked at the Alamo Gordo DUMB in New Mexico and an underground base in Hawaii. He said the Los Alamos base goes two miles underground and is the size of a small city.

Whilst there he witnessed rows of caged humans, tall grey aliens and a reptilian alien. G says the NSA was very hard on all subcontractors and people were worked very hard under severe conditions.

According to G the US federal government, the USAF and the DOE (department of energy) run the Hawaii DUMB he worked at. This base goes down two miles and stretches out into the Pacific Ocean.

It was here that three very tall and muscular Nordic looking men (who according to G were reptilian/human hybrids because their eyes would shift into having vertical slits for pupils) chased him along the motorway there and threatened to kill him because he had overheard them talking about some piece of high technology.

Understandably G has been emotionally scarred from these experiences and does not like talking to people about them.

I was also told on May 23 from this source that in June there would be a huge amount of HAARP engineered earthquakes on the west coast of America and that the DUMBS there had already been evacuated and shut down. This was one hundred percent accurate because between the 21 and 28 of June there were at least 400 earthquakes on the West Coast of America.

I posted all this information on the God like productions forum on the net and within hours the post was hacked into and removed.

By executive order the NSA is exempt from all laws which do not specifically name the NSA in the text of the law, which basically means they can do whatever they want and are answerable to no one.

This is because of its interaction with extra-terrestrial species and its twisted view that the people are children and cannot handle the truth.

There is currently an internal war raging in the global intelligence community regarding the alien

agenda. This is between negative and positive factions. From my understanding one of the main negative factions is a group centred around MI6 and the CIA called Aquarius. This group is covering up the truth, blatantly lying and discrediting or murdering anyone who gets too close to exposing what is going on. There is also a positive group centred around naval intelligence called Comm 12 which is leaking accurate information regarding the alien agenda into the public arena.

When the missile (not plane) hit the pentagon on 9-11, it hit the naval intelligence section of the building. This was part of the internal war between Aquarius and Comm 12 being played out.

Aquarius has also enlisted the help of Hollywood and the mainstream media to twist the facts of the alien agenda and blind the public to the truth. Sir Martin Wakefield Jacomb was director for the telegraph newspapers in 1986. He is also connected into MI6 and is involved with laundering MI6 drug money through the bank of England. Jacomb was the director of the bank of England from 1987 to 1995. Former head of the CIA William Casey was head of the council of the media network ABC. Many Insiders refer to the ABC network as The CIA network.

The grey and reptilian aliens working together with the military in the underground bases is called MIEC (military industrial extra-terrestrial complex). This is a malevolent organisation, as you shall see with the following information. There are also benevolent ETs on this planet. These groups are not part of the MIEC and are from the Pleiades, Andromeda, Lyra, Procyon, Tau Ceti, Sirius A, and Ummo. These groups seem to work together in some kind of protective federation.

On February 20, 1954 a delegation from these groups met with the Eisenhower administration in an unsuccessful effort to reach an agreement on the USs thermonuclear weapons program. The stumbling block to these negotiations was that these ETs were not willing to provide technology that might have been used by the military-industrial factions of the Eisenhower administration. These peace loving human looking beings refused to be co-opted into the emerging military industrial extra terrestrial complex (MIEC) in the US, Britain, Russia and elsewhere on the planet.

On July 11, 1934 the first treaty with the greys from Orion occurred aboard a naval ship in Balboa. This was one of the most important events in human history because it thrust us into a role we were not prepared for as regards to being a host to a malevolent extra-terrestrial race. The US federal government disregarded the constitution of the United States by doing this and not telling the people. It was here that the agreement was first made between the greys representing the reptilians from Orion and representatives of the US intelligence community. The treaty stated that in return for the greys providing high technology (anti-gravity, metals and alloys, nvironment, free energy and medical technology) the government would allow the greys to proceed unhindered with human abductions. This was only if a list of abductees was provided to the government and the abductees returned nharmed with their memories of the events erased.

In 1944 the second extension of the treaty was signed. I have very little details of this.

In May 1954 again under the Eisenhower administration the third extension of this treaty was signed called The Greda treaty. The greys and reptilians blatantly broke the terms of this treaty as we shall see later in this information. The greda treaty was agreed upon at the Holloman air force base in New Mexico by the greys and the Ultra unit in the NSA. The original document of this treaty and the ET materials from it can be found today at the NSA facility called Blue moon underneath Kirkland air force base in New Mexico. The entrance to this underground base is in the Manzano Mountains. Also at this location is the technological base of the secretive department of energy (DOE). Today free energy devices developed from grey and reptilian technology are being built for use in space at the DOE base.

On April 15 1964 two intelligence personnel met under project Plato with the greys in the New Mexico desert to arrange a meeting on April 25 at Holloman air force base in New Mexico. This meeting was to renew the treaty again in a psychological bid to buy time in order to solve the problem of the greys and reptilians.

A truly nightmarish situation is now unfolding. Phil Schneider was a geologist, structural engineer and underground tunnelling expert for the US government and the UN. He participated in the construction of many DUMBS in North America and other countries. Phil was murdered by the CIA on January 17 1996 in his apartment in Wilsonville in Portland, Oregon.

In 1979 in Dulce New Mexico, Phil Schneider was drilling into the desert there to build an auxiliary base in the southern end of Dulce on top of an already existing underground base there. The already existing base had been built by the US government in the 1940s under operation blue note but afterwards had been taken over by greys and reptilians. Over a period of two days Phil and his team had drilled four holes in the desert that went down several thousand feet.

One of the holes kept bringing up dirty dust, putrid odours and broken off machine bits that were sent down the hole. Boring machines and lasers came back up damaged when they were sent down there. A probe was then sent down that came back up totally missing. Eventually people were sent down. Phil was the first person to go. He was lowered down into the cave and when he got down there, standing around ten feet away were two seven-foot greys. He became petrified but managed to empty one clip from his pistol into the greys. As he was reloading one of the greys hit Phil with some kind of particle beam weapon which gave him a very high dose of nuclear radiation poisoning, similar to cobalt radiation but even worse. Phil's lung was burnt out of him and he has a huge scar running down his chest which he showed at his lectures which are available on video google.com. His fingers on his left hand were burnt off, his bones were burnt. He was basically cooked.

He was in radiation isolation therapy for 400 days plus. In the cave large metallic vats were found filled with human body parts, generally glands. In the vats were high tech stirring devices that stopped the blood coagulating.

In Aztec in New Mexico on the 13 February 1948 a crashed flying disk was retrieved by the US military. The craft was 100 feet in diameter was made of a light metal resembling aluminum and contained ET reptilian bodies. A large number of human body parts were also found on board the craft.

The above top secret security lid was screwed down on this even tighter than Roswell to stop mass panic.

The very next day after the crash (the craft was probably shot down by the military) the government bought up the property from the local landowners. Witnesses in Aztec observed covered military trucks going in and out of the area for days after the crash.

The craft was transported to Wright Patterson air force base. The disc incorporated large rings of metal which revolved around a central stabilized cabin. There were no rivets, bolts, screws or signs of welding.

People in Aztec carefully guard their words as to the accounts of the crashed disk. The Aztec citizens are still being monitored by the military to this day. One elderly woman said her husband watched the military trucks going in and out of the crash area for days. She said she was very nervous about the whole thing and didn't want to talk about any of it other than her husband seeing the military vehicles. She was asked if she believed there had been a UFO crash. Her response was " If something hadn't

happened out there, how come the military rushed right in... why was the covered military trucks going in and out of the canyon...why did they deny being there...and why were they buying the near and surrounding land where the UFO supposedly crashed?

In Cambodia in 1972 at the height of the Vietnam war, a US special operations team out on patrol came across a group of alien creatures loading various human body parts into large metal containers and sealing them. A pitched battle ensued, which resulted in fatalities on both sides. As the soldiers pulled back the aliens quickly retreated to their craft taking the body parts with them. As usual a major cover-up was quickly enforced.

One of my contacts in Wales who I will call D to protect his identity, was approached by an elite intelligence organisation called Group 5-8. This group was formed by Margaret Thatcher in the 1980s to work at the sights of crashed ET craft in Britain. This is the first time this information is being made public.

Even though group 5-8 was formed by Margaret Thatcher it is a UN group. The group 5-8 man called George showed my contact a UN identity card with UN holograms on it. George then drove D to a clandestine meeting on a motorway services.

It was here that George showed D photographs of human mutilations they had found near the heavily guarded Broken beacon DUMB in Wales. These photos were taken at a sealed off area where UFO activity had taken place.

The photos showed a girl of sixteen and a boy of twenty who had their genitals removed, eyeballs removed, lips removed and directly half of their skin was missing. George said group 5-8 regularly found camper vans around this area where the occupants had vanished.

D understandably had nightmares for weeks after this and was soon after followed by a high-tech American utility van with blue lights underneath it. I believe this was a NSA van.

Days after this D had his life threatened over the phone. The call was anonymous but told him to keep quiet or his house would be burnt down with him in it. George then called D and told him his life was in danger and to get the information out as soon as possible to protect himself. The next day a gasman turned up pulled out his ID the moment the door was opened walked in and checked the metre. When he left a fire broke out which nearly burnt down the house with D and his wife in it. The house was wrecked and the fire brigade said the fire had mysteriously started in the bin in the room where the gasman was.

After this D another man and myself were investigating reports of a DUMB and missing children around the small village of Zennor in Cornwall. There had been many sightings of alien beings on the cliffs there since the 1960s and many UFO sightings around the area and large amounts of covert military activity. Some of the UFOs had disappeared into the ocean there according to witnesses.

Two years ago a Devon and Cornwall police project classified secret had gone on. This was a dig for the mass graves of children by the police. They had traced the reports of many missing children to this area. This is classified information that D managed to get hold of from his contacts. Once again this is the first time this information is being made public. From that I can gather the police did not find any bodies and the digging area was walled off from the public.

I believe the police were looking in the wrong place because the activity seems to be coming from underground. When the poet D.H Lawrence stayed at a small cottage in Zennor he heard explosions

coming from deep underground. And Aleister Crowley who was an MI6 agent spent much time at Zennor. As already stated MI6 and the CIA are heavily involved in the alien agenda and I believe Aleister Crowley was up to his neck in it.

Aleister Crowley had performed many satanic rituals at a cottage in Zennor (there seems to be a close connection with Satanism and the greys and reptilians). At this cottage one night after Crowley left that a woman named Ka Cox died of a stroke and her husband went insane and ended up in Bodmin mental asylum. The man said a reptilian being had materialised in the house and I believe Ka Cox died of fright after seeing this. The police files pertaining to her death were stolen from the police station after this.

Aleister Crowley was also at Montauk in New York when the project was in full swing and there is a quantum energy grid line that runs from Montauk to Zennor and the Men An Tol ancient stones in Cornwall.

After the fire at Ds house everything had been quite for a couple of years. All of a sudden after two days into our missing children investigation at Zennor, D had men outside his bedroom window shining lights in. This is an intimidation tactic used by the intelligence agencies.

I have only scratched the surface of what is going on at Zennor as there is not room to go into it all here. The bigger picture will be made public soon.

So what is going on with these human mutilations and missing people?. The truth of the matter is that the greys and reptilians feed off the glandular secretions and hormones through a type of osmosis. This is why major organs are taken from people. Your mind may want to go into denial that this is happening but if you start digging you will find this is 100% true. On the Crowed skies website there is video smuggled out of the Dulce underground facility that shows greys inside vats absorbing these blood mixtures through their skin.

Researchers Bill Hamilton and Tal XXXXXX (AKA Jason Bishop) received reports from workers at the Dulce DUMB who worked there in the mid 1970s when it was being jointly run by the CIA, greys and reptilians. This was before the ETs completely took the base over and kicked the humans out.

The workers said the Dulce facility goes down at least seven levels. Level six is privately called nightmare hall amongst workers. They tell of bizarre experimentation and multi-legged humans that look half human and half octopus, reptilian humanoids, furry creatures with hands like humans that cry like a baby, and mimic human words. Also a huge mixture of lizard humans in cages, several cages of winged humans, three and a half to seven feet tall bat like creatures and gargoyle like beings. In level seven are thousands of rows of human and human genetic mixtures in cold storage, humanoid embryo storage vats with embryos in various stages of development. Other workers said they witnessed scenes even more terrifying than this and refused to talk about them. One worker told Bill Hamilton " I frequently encountered humans in cages, usually dazed or drugged, but sometimes they cried and begged for help. We were told they were insane and involved in high-risk drug tests to cure insanity. We were told never to speak to them at all. At the beginning we believed the story. Finally in 1978 a small group of workers discovered the truth".

Thomas Castello was one of the security workers at the Dulce facility. Thomas worked seven years for the Rand Corporation in California. He was transferred to Dulce in 1977. He estimated there were more than 18000 short greys at Dulce and also saw tall reptilians.

Thomas knew of seven levels but said there could have been more. He said the aliens were on levels five, six and seven. The lower you go the higher the security clearance is needed. The only sign in English is above the tube shuttle system and says To Los Alamos. The tube shuttle travels at mach 2.7. Most signs at the Dulce facility are in the alien symbol language and a universal system understood by humans and ETs. Thomas said the other shuttle connections from Dulce went to Page Arizona, Area 51 Nevada, Taos Carlsbad, Datil New Mexico, Colorado Springs and Creede Colorado. Thomas also said there is a vast number of tube shuttle connections under the United States which extend into a global system of tunnels to other underground bases in other countries.

Thomas Castello said that below the second level of the Dulce facility everyone is weighed naked and given a uniform. Any change in weight is noted and if there is a change in weight of three pounds or more the people are x-rayed. At the entrance to all sensitive areas are scales and the persons weight must match with their ID card and code to gain entry.

Thomas Castello smuggled many things out of the Dulce facility before he escaped which included twenty seven sheets of 8x10 photos of alien and genetic creatures in vats. One silent surveillance camera video tape, which begins with showing computer banks then vats, multi shots of nightmare hall, two shots of greys, one shot of the terminal sign saying To Los Alamos and thirty seconds of the shuttle train arriving.

Twenty five pages of diagrams, chemical formulas, schematics and alien equipment.

\* A copy of the new government/alien treaty with signatures.

\* Two pages of original documents signed by Ronald Reagan (then governor of California). Each page has Ronald Reagans signature plus other political signatures and four alien signatures.

\* Thomas Castellors flash gun (a laser type weapon used by the security officers at Dulce).

\* Thomas put the original set of these items in a sealed, one piece oxygen free heavy plastic box. Five sets of copies are in five different boxes in five different locations guarded by five different individuals known only to Thomas Castello.

I understand these individuals would be scared to leak this proof as Thomas Castellors wife and child were kidnapped and then disappeared in Puerto Rico not long after this (now presumed dead). But if any of you are reading this then please contact me anonymously and we can arrange for you to send me a copy. I will be able to get it out on a large scale. My e-mail address will be at the end of this article.

This is part of an interview with Thomas Castello before he disappeared- " I am saying there are aliens in several underground bases in this country and terrible things happen in those places. If I die before it is proven search for proof. Demand that the government admit it. If enough people demand it they will find a way to explain the base or at least explain why they must keep it secret. There are many people that work at Dulce that know me. I am challenging those co-workers to speak up anonymously. Send a letter to confirm what I have explained. In the name of the brave men, women, children and aliens that died trying to let the public know what is going on at the Dulce facility. Expose that horrid place before thousands more innocent people are tortured and die unspeakable deaths".

The Rand corporation which is involved in the construction of these underground bases has released The Roper report. This is now a third generation report that says according to their research one in ten people have been abducted and implanted by the Greys and reptilians and returned with their memories erased. This report has been sent out to one hundred and ten thousand clinical psychiatrists in the US.

The Roper report also states that women are being raped by reptilian ETs as part of a ongoing genetic program by them. As fantastic as this sounds it is backed up by some of the worlds top MDs like John Mack and many others. There are some ninety concerned psychiatric scientists in the US who are trying to form an organisation to prevent secrecy on this horrendous situation.

They say that because of the alien/government treaties this amounts to government sponsored rape. According to the Roper report 99.3% of the abductees being used in this ongoing genetic ET program are female and 0.7% are male.

I have personally seen intelligence documents of studies into the Grey and Reptilian problem that show they are involved in genetic sabotage of the human race. The Grey and Reptilian alien agenda is to slowly and covertly take over the planet in the next thirty years, reduce the population and run the planet from underground using the surface population as food to be taken when and how they wish. The British, Russian and US government is shooting down around one Grey and Reptilian craft a month with particle beam weapons developed from Tesla technology.

The Russians have areas the size of football fields full of crashed ET craft. If that is not a full-scale invasion I dont know what is.

The British, Russian and US government have become blood brothers and the best of friends because of the alien agenda. The Russian and US cold war was feigned animosity and a sham so these governments could develop nuclear weapon programs to counter the alien threat.

The cold war was a lie for the public to take the attention away from what the nuclear weapons program was really being developed for, not against Russia but as a last resort against the Greys and Reptilians.

The headquarters of the secret international governing body in charge of dealing with the ET phenomenon is in Geneva, Switzerland. The ruling body is made up of representatives of the governments involved as well as the executive members of the group known as the Bilderburgers. As I have said the British, American and Russian governments are working very closely together because of the Grey/Reptilian threat to the planet. Although the situation is so horrendous that these governments have shattered into panicked factions, some of which have sold out and are directly helping the Greys and Reptilians.

According to very credible US government insider William Cooper the most important meetings of this secret international governing body are held by the policy committee on a nuclear submarine beneath the polar ice caps.

The secrecy is such that this is the only method to make certain the meetings cannot be bugged and is the only place they will discuss their biggest secrets.

It would be wrong and cruel of me to present his information without presenting the full picture. The Greys and reptilians from Orion have been involved in an ancient war with the Benevolent Pleiadians and other groups. The Pleiadians are a very powerful group and are the guardians of this solar system. I personally do not believe they will let the grey/reptilian agenda fully unfold. They have helped us in the past, are helping us now and will help us in the future.

I know this because I have had many Para-normal ET contact experiences since childhood. There is not room to go into detail here but is covered in the Above top secret presentation with investigative

journalist Dave Starbuck. Type revelation audio visual-Dave star buck into a search engine to find.

I have very clear photographic evidence of benevolent Pleiadian ETs materialising in my house and a box of channelled communications with these beings. These photographs will stand up to a computer grain analysis test because they are all one hundred percent real. I also do not have the knowledge or technology to fake them. One photo shows a very clear face materialising in front of me. I also have post traumatic stress disorder from abductions and other contacts with malevolent reptilian entities. Again these are covered in Above top secret.

There is a massive number of missing children in Britain, America and other places connected to these underground bases. The figure in Britain seems to be at least twenty thousand children disappear without a trace every year. In a 1995 classified CIA, DIA (defence intelligence agency) and FBI report, it stated that one hundred thousand children and one million adults disappear and are never found in the US every year.

You may ask yourself how is this being covered up. As was mentioned at the beginning of the article, the same group working with the greys and reptilians which is MI6, CIA and the MIEC, own and control the mainstream media.

In 2001 Scotland Yard police revealed that it had been unable to find three hundred black boys aged between four to seven that disappeared from London in a three-month period. The three hundred boys were reported missing between July and September in 2001.

Journalist Yinka Sunmonu an expert in missing children told the BBCs Today program "Children are here one day and gone the next".

In 1989 in Westchester, New York which was the site of numerous UFO overflights and reports of human abductions at that time. Over three thousand missing children reports surfaced. After extensive investigation by local police departments the children were not found at red light districts or centres for run a ways. Researchers and law enforcement officials were baffled.

There is also the CIA finders case. This involved negative factions of the CIA directly involved in child kidnapping. This was revealed in a 1987 US customs report. Customs and police raided a Washington DC warehouse which was used by the CIA. There they found a set of instructions broadcast via a computer network which advised the CIA to move a huge amount of kidnapped children that were originally being held at the warehouse (customs and police found large amount of nappies and other things there) and to keep them moving across jurisdictions. There were instructions on impregnation of female teenagers and also instructions on how to avoid police detection. The destination for the children in the instructions was New Mexico.

The Albuquerque journal ran an article entitled Why New Mexico has so many more missing children than comparable states remains a mystery.

Much of this activity is centred around New Mexico where the Dulce underground facility is.

One male survivor of the MI6/CIA mind control project Monarch described in The illuminati formula by Fritz Springmeir, the china lake naval base at Ridgecrest in the California desert. This anonymous man says batches of children numbering one, two and three thousand were kept in cages piled up to the ceiling of large hangers. He says these cages are called woodpecker grids. These are electrified and the children were tortured with electric shocks.

Children are today still being transported to China Lake Naval Base by train, car and air. One of the main delivery routes for children into China Lake is by plane from the Santa Rosa airstrip near Bohemian Grove. The Santa Rosa airstrip is supposed to be closed, yet planes take off from there every night and do not put their lights on until they are hundreds of feet in the air.

The Nazi geneticist and mind control scientist Joseph Mengele, the Angel of Death from the Auschwitz concentration camp, was brought to America after the war by MI6 and the OSS (which became the CIA) in Project Paperclip. Many other leading Nazi mind control experts, rocket scientists and geneticists were also brought to America and Britain after the war.

Joseph Mengele stayed at the China Lake base and the Tavistock Institute in London.

China Lake Naval Base is in the same area as Lancaster, California. It was in Lancaster that the mass graves of mutilated children were discovered.

By the sheer amount of evidence the only conclusion I can come to is that certain sections of the US and British government have sold us and our children out to malevolent ETs in backdoor treaties. The situation is truly grim. Come on people, time to wake up! The New World Order and UN One World Government is this rigid control structure to clamp the people of the world into a totalitarian vice so they won't have to tell us about the aliens.

I also believe that certain sections of the intelligence community and the US and British government are directly helping the Greys and Reptilians with their takeover agenda. Evidence seems to point to the ETs promising these humans certain powers when this happens. The name of the powerful secretive group, The Tri-Lateral Commission, is taken from the Orion Grey/Reptilian flag known as the Tri-Lateral Insignia. This shows how much trouble the Human race is in.

There is now an apathy amongst the people towards world events that is deadly and contagious. This is especially true of the people of Britain. We have truly become a nation of sheep.

I challenge you to shake off that apathy and challenge your government to tell you the truth. Please send letters/copies of this article to your local government officials and distribute it amongst your friends and family. This information desperately needs to get out on a large scale as possible but I cannot do this on my own, I need your help.

There is a huge amount of pressure on the governments to go public on the ET scenario, but there is also a huge amount of pressure on them not to go public as well. We need to demand our government officials tell us the truth about the ET scenario and if they do not we must impeach them.

If there are any government officials or intelligence personnel who still have a conscience and would like to provide me with information on any of the areas covered in this article or information on any other areas, please contact me at the e-mail addresses below. I will also be willing to meet you face to face.

The time is 12.55 am, I have just got off the phone with my colleague who I work with investigating deep underground military bases (DUMBS), missing children and Extra-terrestrials. My friend who I will call S to protect his identity lives in Southampton. Last night at around 1.00am his neighbour heard the metal shutters on the shop where S lives banging open and shut, so he came out to investigate.

In front of the shop were two men dressed in black, one was white and the other Asian. (The men who were taking photographs of me earlier this year were also dressed in black and these clothes looked like they were military style-see my last article What you need to know for your future,). They menacingly

eyeballed my friends neighbour who could see the shutters moving up and down but nobody was touching them!

The neighbour became scared and went back inside. This noise carried on and attracted the attention of other neighbours on the street who started to come out of their houses until there were over 40 people outside his shop. The men dressed in black had disappeared by this time but the shutters were still moving up and down, making a lot of noise.

Two police arrived at the scene and called for back up when they saw the commotion and a total of fifteen police officers then turned up. They tried to wake S by knocking but unbelievably he did not wake up. I have stayed with S at his shop and believe me this would wake most people up who were asleep in there.

The metal shutters continued to move up and down for over two hours after this and the police were telling people not to be alarmed as they were moving electronically and would run out of energy soon. After 3.00am they stopped and the neighbours returned home.

The amazing thing about this is that **THESE SHUTTERS CAN ONLY BE MOVED MANUALLY BY HAND AND THERE IS NO ELECTRONIC DEVICE CONNECTED TO THEM!** Many of the neighbours knew this and that is why they were so alarmed. The police came back in the morning and when S got up he was met by burst water pipes in his flat and police outside wanting to talk to him.

I know from my contacts in the NSA and CIA that the military black op, technology is far in advance of anything we see in the public domain and can do things that may seem unbelievable to our conditioned view of reality. I believe this was a psy-op military intimidation tactic to scare us into stopping our investigations into the underground base and ET situation.

## Dulce New Mexico

The following is an excerpt from an article which appeared in a UFO-related publication. We do not know exactly who the author of the article is or what publication it appeared in, as our source sent us only some Xeroxes with no references. We relate the information as received:

"...Lear directed my attention to a large map of Nevada, which delineates all the areas which civilian maps coyly leave as uncharted military reserves. 'Right in the very center is a place called Area 51. It is our most secret complex. There are 1900 people there ## it takes presidential clearance to work there ## and they're ferried in by aircraft in the morning and taken out about 5 o'clock in the evening. They have nothing to do with the saucers. The people who work on the saucers go up later in the afternoon, and go home about midnight. The saucer facility is called S-4.' S-4 is in the southwest corner of Area 51.

"Unfortunately, this facility ## AND A SIMILAR SET-UP NEAR DULCE, NEW MEXICO ## may now belong to forces not loyal to the U.S. Government, or even the human race. 'It's horrifying for us to think that all the scientists we think are working for us are actually controlled by the aliens.'

"...A deal was made with them in the latter part of the 1960s (Probably a revisioning of the 1954 treaty, which was in turn an outgrowth of the secret Bavarian Illuminati treaty with the Grays in 1933. - Branton). In exchange for technology, we would cover up the existence of the aliens.' Apparently this agreement ## engineered by an arm of government so covert that even the President may not be on the 'need to know' list ## also sanctioned the abduction of humans, which the aliens rationalized as an ongoing monitoring of a developing civilization. We asked only for a list of the abductees.

"In 1973, the deal soured. 'Hundreds of people ## thousands ## were being abducted that weren't on the list. In 1978-79, there was an altercation between us and the aliens, in which they killed 44 of our top scientists, and a number of Delta force who were trying to free them. I'm not sure where this altercation occurred ## it could have been Dulce, or it could have occurred in Groom Lake

(Note: According to Robert Lazar, an underground facility below Groom Lake was the sight of an intense fire-fight between Grays and U.S. Military personnel after a human Security officer had challenged an alien dictate not to enter a certain alien-controlled area with a loaded weapon, and was subsequently killed as a result of his challenge. This 'war' was actually a 'massacre' according to MJ12 Special Studies Group [MJ12SSG] agent Michael Wolf, since the first outbreak of violence in 1975 resulted during a demonstration of an anti-matter reactor within an underground chamber. The Greys operating the demonstration ordered the human security officers to remove the bullets from their weapons. One Security officer questioned this order and just for having the audacity to question, one of the Greys apparently let their true colors show. That is, it prematurely exposed the fact that 'they' were not really the 'allies' of the American government, but actually an occupational invasion force that had to maintain absolute discipline among its 'conquered subjects'. This 'thing' from out of this world decided that it would make an 'example' out of those who questioned their orders, and its comrades followed suit. The Greys commenced to slaughter SEVERAL dozen Security personnel and Scientists, although only one alien Grey died in that initial altercation. Thomas Castello claims that another battle occurred below Dulce four years later in 1979, after several scientists who had discovered the 'Horrible Truth' ## of thousands of human abductees in cold storage or imprisoned in cage-like enclosures in the deeper 'Alien' sectors under Dulce ## were themselves captured by the aliens following this discovery.

These were some of the best minds America had to offer. As we will see later on, the "Dulce Wars" were somewhat more complex than this brief explanation might suggest, however. - Branton).

"This battle, Lear claims, left us bereft of our own facilities [and some of our best scientists]; ever since, we have attempted to create a counterforce to meet the alien challenge.

"The Strategic Defense Initiative was one such scheme. 'SDI, regardless of what you hear, was completed two years ago; that was to shoot down incoming saucers. The mistake was that we thought they were coming inbound ## in fact, they're already here. They're in underground bases all over the place.' It seems that the aliens had constructed many such bases without our knowledge, where they conduct heinous genetic experiments on animals, human beings, and 'improvised' creatures of their own devising."

In battle, even in a conflict as unusual as the "Dulce Wars", there are bound to be prisoners of war or POW's. In his LEADING EDGE Report, researcher Val Valerian revealed the following:

"DULCE LAB TECHNICIAN HELD: In early November, 1988, we received word that the scientist son of [B.M.] is now being held in the underground facility at FORT WAYNE, Colorado. The underground base is located in southwestern Colorado near the UTE mountains. The son apparently worked at the genetics lab under Archuleta mesa near DULCE, NM and finally grew disgusted with what he was observing. Subsequent probes into the retention of this person have yielded several interesting project names. His father, B.M. apparently encountered two Nordic appearing men in Pomona, CA on 22 Oct. '88..."

Note: The "Ute Mountain" Indian reservation border ## which super-imposes the southern border of Colorado, lies only a relatively few miles north of the Archuleta plateau. It extends from that point westward along the border to the four corners area. Just across the border in Utah another branch facility apparently exists, according to John Lear, where another Dulce scientist is reportedly being held. Lear spoke with the father of THIS young scientist, referring to the father only as 'Mr. K.', and attempted to locate the exact position of the base. Lear stated:

"...The son, whose father I met and who passed away several years ago is apparently being held in a base near or around Sleeping Ute Mountain (Sleeping Ute mountain is in the extreme southeast part of Utah, near the four corners area on the Ute Reservation, south of Utah highway 666 which also runs through Colorado and down through New Mexico. - Branton). I don't remember how I came by that information but it had to do with some research I was conducting in a search for the Project BLUE LIGHT base near Delores [which I never found]."

In regards to Utah, there have been rumors of "New World Order" bases being constructed below southeastern Utah with containment facilities where 'dissidents' are intended to be apprehended underground when and if the New World Order takes control of the United States. There are reportedly numerous such underground containment facilities throughout North America.

In a letter dated Sept. 1990, written by Thomas E. Castello and addressed to researcher 'Jason Bishop', the former Dulce Base technical-security officer stated:

"...The room for [the electro-magnetic] generator is nearly 200 feet diameter. This circular room covers the fifth and sixth levels [extreme westsouth wing]. Here, is the intense magnetic generator. There is a 'buffer area' made of ceramic and Latex that is four feet thick, in all directions. There [are] five entrances [plus an escape trap door on the sixth floor] on each floor. Each portal has a double door [one at the out-side of the buffer and one at the inside of the buffer]. The security is severe. Armed guards

patrol constantly, and in addition to weight sensitive areas there [are] hand print and eye print stations. No one under ULTRA 5 clearance is allowed near the portals. Here, is the device that powers the transfer of atoms. No information is available to personnel with ULTRA 7 or less. [I was ULTRA 7]"

"Commander X", the mysterious and anonymous Military Intelligence officer and member of the "COMMITTEE OF 12" [COM-12?] ## who has released sensitive information through Tim Beckley's New York City based UFO organization ## has stated:

"The underground...base outside of Dulce, New Mexico, is perhaps the one MOST FREQUENTLY referred to. Its existence is most widely known, including several UFO abductees who have apparently been taken there for examination and then either managed to escape or were freed just in the nick of time by friendly...forces.

"According to UFO conspiracy buff and ex-Naval Intelligence Officer Milton [William] Cooper, '...a confrontation broke out between the human scientists and the Aliens at the Dulce underground lab. The Aliens took many of our scientists hostage. Delta Forces were sent in to free them but they were no match for the Alien weapons. Sixty-six people were killed during this action. As a result we withdrew from all joint projects for at least TWO years...'

"CENTURIES AGO, SURFACE PEOPLE [some say the ILLUMINATI] entered into a pact with an 'Alien nation' HIDDEN WITHIN THE EARTH," Commander X alleges. "The U.S. [Executive] Government, in 1933 agreed to trade animals in exchange for high-tech knowledge, and to allow them to use [undisturbed] UNDERGROUND BASES, in the Western U.S.A. A special group was formed to deal with the 'Alien' beings. In the 1940's 'Alien Life Forms' [ALF's] began shifting their focus of operations, FROM CENTRAL AND SOUTH AMERICA, TO THE U.S.A.

"The CONTINENTAL DIVIDE is vital to these 'entities.' Part of this has to do with magnetics [substrata rock] and high energy states [plasma]... This area has a very high concentration of lightning activity; underground waterways and cavern systems; fields of atmospheric ions; etc."

"...From my own intelligence work within the military, I can say WITH ALL CERTAINTY that one of the main reasons the public has been kept in total darkness about the reality of UFOs and 'aliens', is that the truth of the matter actually exists TOO CLOSE TO HOME TO DO ANYTHING ABOUT. How could a spokesman for the Pentagon dare admit that five or ten thousand feet underground EXISTS AN ENTIRE WORLD THAT IS 'FOREIGN' TO A BELIEF STRUCTURE WE HAVE HAD FOR CENTURIES? How could, for example, our fastest bomber be any challenge to those aerial invaders when we can only guess about the routes they take to the surface; eluding radar as they fly so low, headed back to their underground lair?

"...the 'Greys' or the 'EBEs' have established a fortress, spreading out to other parts of the U.S. via means of a vast underground tunnel system THAT HAS VIRTUALLY EXISTED BEFORE RECORDED HISTORY..."

Val Valerian, of the Washington State based 'Leading Edge Research' Group, made the following statements in one of his L.E.R. issues:

"ADDITIONAL COMMENTS ON ALIEN BASES ## There is some confusion over the subject of alien bases in the United States. There seem to be many of them, but some of them seem to stand out functionally and operationally. IT WOULD SEEM THAT THE MAIN BASE is in NEW MEXICO with small detachments [human phrase] at Dreamland and Area 51 in general. Both of those locations are used to test-fly alien craft [PROJECT GRUDGE/REDLIGHT]. The main location for the test

flights appears to be Area 51. The EXCALIBUR project being developed AT LOS ALAMOS is designed to try and penetrate underground facilities, since they [the grays] have entrenched themselves and no longer honor any of the dubious agreements which they have made with [certain] factions within the government.

"...Scores of underground installations hold citizens of virtually EVERY country on the planet in captivity."

Researcher William F. Hamilton revealed the following details on the Dulce base which were provided by former Dulce base security director ## who is now missing and presumed deceased ## Thomas Edwin Castello. In his book 'COSMIC TOP SECRET' [p. 109], Hamilton writes:

"...According to Thomas, the alien androgynal breeder is capable of parthenogenesis. At Dulce, the common form of reproduction is polyembryony. Each embryo can, and does divide into 6 to 9 individual 'cunne' [pronounced cooney, i.e. siblings]. The needed nutriment for the developing cunne is supplied by the 'formula,' which usually consist of [human/animal blood] plasma, deoxyhemoglobin, albumin, lysozyme, cation, amniotic fluid and more."

Abductee Christa Tilton confirmed much of what Thomas Castello has revealed. Christa described "...strange vats filled with eerie liquid...where aliens are being grown." She stated that there were: "dozens of creatures in each womb. Can't count tanks, maybe scores or hundreds... womb submerged in sort of yellow liquid. Looks thicker than water. Creatures float in amber colored water. Womb is greyish..." The creatures or embryos being bred were "not human", had bluish-grey 'resilient' skin, and possessed "three fingers" and "two toes". She confirmed that parts of human bodies may be used in the 'fluid'. She says that they used her to breed a human-like child which is being held prisoner in the underground base.

Val Valerian through one of his LEADING EDGE RESEARCH reports released the following synopsis of the so-called 'DULCE PAPERS':

"The Dulce papers were comprised of 25 BLACK AND WHITE PHOTOS, A VIDEO TAPE WITH NO DIALOGUE and a set of papers that included technical information of the allegedly jointly occupied [CIA-Alien] facility 1 kilometer beneath the Archuleta Mesa near Dulce, New Mexico. SEVERAL PERSONS WERE GIVEN THE ABOVE PACKAGE FOR SAFE KEEPING. Most of those given the package were shown what the package contained but were not technically oriented and knew very little about what they were looking at. The following is written by ONE OF THESE PERSONS about what the papers contained. This person described the scenes that the video tape showed... What you see is what you get; I can't decipher what is written or drawn anymore than you can. I pass these papers on only in the interest of getting to the truth. [From] other information I have, I believe the information herein is true. I believe the facility exists and is CURRENTLY OPERATIONAL. I also believe that there are 4 ADDITIONAL FACILITIES OF THE SAME TYPE, ONE LOCATED A FEW MILES TO THE SOUTHEAST OF GROOM LAKE, NEVADA. What is the truth? Only God, MJ-12 and the aliens know for sure.

"Dulce papers: Lots of papers-documents that discuss COPPER AND MOLYBDENUM, also papers about MAGNESIUM AND POTASSIUM, BUT MOSTLY ABOUT COPPER. Lots of 'MEDICAL TERMS' that I don't understand. A sheet of paper with charts and strange diagrams. Papers that discuss ULTRA VIOLET LIGHT AND GAMMA RAYS. Papers that discuss COLOR AND BLACK AND WHITE AND HOW TO AVOID DETECTION THROUGH USE OF CERTAIN COLORS. In addition to these papers THERE ARE ABOUT 25 PICTURES, BLACK AND WHITE, PLUS ONE VIDEO TAPE WITH NO DIALOGUE, ALL TAKEN INSIDE THE DULCE FACILITY. THESE PAPERS

TELL WHAT THE ALIENS ARE AFTER AND HOW THE BLOOD [TAKEN FROM THE COWS] IS USED. Aliens seem to absorb atoms to 'eat'. ALIENS PUT HANDS 'IN BLOOD', SORT OF LIKE A SPONGE, FOR NOURISHMENT. IT'S NOT JUST FOOD THEY WANT, THE DNA in cattle and humans is being altered. THE 'TYPE ONE' CREATURE IS A LAB ANIMAL. 'THEY' KNOW HOW TO CHANGE THE ATOMS TO CREATE A TEMPORARY 'ALMOST HUMAN BEING'. IT IS MADE WITH ANIMAL TISSUE AND DEPENDS ON A COMPUTER TO SIMULATE MEMORY, A MEMORY THE COMPUTER HAS WITHDRAWN FROM ANOTHER HUMAN BEING. THE 'ALMOST HUMAN BEING' IS SLIGHTLY SLOW AND CLUMSY. (Several so-called "MEN IN BLACK" have been described in this manner. - Branton) REAL HUMANS ARE USED FOR TRAINING, TO EXPERIMENT AND BREED WITH THESE 'ALMOST HUMANS'. SOME HUMANS ARE KIDNAPPED AND USED COMPLETELY [EVEN ATOMS]. SOME ARE KEPT IN LARGE TUBES, AND ARE KEPT ALIVE IN AN AMBER LIQUID. SOME HUMANS ARE BRAINWASHED AND USED TO DISTORT THE TRUTH. CERTAIN MALE HUMANS HAVE A HIGH SPERM COUNT AND ARE KEPT ALIVE. THEIR SPERM IS USED TO ALTER THE DNA AND CREATE A NON-GENDER BEING CALLED 'TYPE TWO'. That sperm is grown some way and altered again, put in large wombs, many destroyed, certain are altered again and then put in separate wombs. THEY RESEMBLE 'UGLY HUMANS' WHEN GROWING BUT LOOK NORMAL WHEN FULLY GROWN WHICH TAKES ONLY A FEW MONTHS FROM FETUS SIZE. THEY HAVE A SHORT LIFE SPAN, LESS THAN A YEAR. SOME FEMALE HUMANS ARE USED FOR BREEDING. COUNTLESS WOMEN HAVE HAD A SUDDEN MISCARRIAGE AFTER ABOUT 3 MONTHS PREGNANCY. SOME NEVER KNEW THEY WERE PREGNANT. Others remember contact some way. THE FETUS IS USED TO MIX THE DNA IN TYPES ONE AND TWO. THE ATOMIC MAKEUP IN THAT FETUS IS HALF HUMAN, HALF 'ALMOST HUMAN' AND WOULD NOT SURVIVE IN THE MOTHERS WOMB. It is taken at 3 months and grown elsewhere."

The following information on subsurface anomalies and the Dulce base was compiled by researcher and explorer John Rhodes:

Legends from different parts of the globe all tell of an underworld inhabited by mystical beings of varied forms. I believe that the reptilian [race] still resides to this day underground. Hidden away in the dark crevices of the Earth and in the depths of the oceans. The evidence supporting this proclamation is also available through recent reports and historical documentation...

In the early 1960's, a subterranean nuclear blast occurred about 30 miles southwest of Dulce, New Mexico right off U.S. 64. This nuclear blast was conducted under the umbrella of project Plowshare, and was named Gassbuggy. It has recently been alleged that this particular subsurface nuclear blast was used to create a hollowed out chute or chimney for development of a substation for a super-secret tunnel system attached to an underground black book project base.

According to the infamous Thomas Castello ## a former Dulce base security technician ## this particular under-world city is a highly secret base operated by humans as well as reptilian aliens and their worker cast, the commonly encountered grays. It is here, apparently, that a multitude of experimentation projects are carried out. Primarily genetic experiments on kidnapped men, women, and children.

There are a myriad of other specialty science projects taking place at the Dulce base including, but not limited to: Atomic manipulation, cloning, studies of the human aura, advanced mind control applications, animal/human crossbreeding, visual and audio wiretapping, the list goes on...

Dulce, New Mexico is a strange place indeed. It's a sleepy little town perched upon the Archuleta Mesa, just south of the Colorado border in northern New Mexico.

Tourists passing through sometimes see little more life in the town other than that of a scruffy dog lazily spread out along side of the dirt road. Some claim that upon entering the town, black vehicles with heavily tinted windows tailgate them until they are outside the city limits and "heading out of Dodge"!...

In addition, several other sources, who wish to remain nameless, reported oddities in their work with operation 'Plowshare' during the 1960's. The project was created under the guise of the use of atomic bombs during peacetime, and forged ahead under the umbrella of "Natural Gas Exploration". In fact, several of these multi-kiloton blasts were used as a rapid way of developing huge sub-surface chambers for facility development. It is reported that the technology to clean radiation is available and already in use for such projects.

When I lectured on Friday, August 13th of 1993 in Las Vegas, I made public, for the first time ever, the floor plans to levels one and six of the Dulce Base. These floor plans were reproduced from the originals that were handed to Thomas Castello's friend. This friend did not previously release the floor plans because they were being used as a verification device to the claims of abductees that say they were there. To date, the originals have verified and disproved many stories circulating the field of ufology. This friend of Thomas Castello's, however, believes that it is time to begin [to] reveal the missing pieces...

The Dulce base floorplan was illustrated as per the originals by Thomas Castello and I released it... during my lecture in Las Vegas, Nevada. Its layout, when inspected carefully, appears to be extremely strategically planned.

From a vertical viewpoint, it resembles a wheel with a central hub and corridors radiating outwards like spokes. This 'hub' is the focal point of the entire base. It is surrounded by central security and extends through all levels of the base.

I believe this core to be the Achilles heal of the entire facility. It probably contains fiber optic communications and power lines. This would justify its highly guarded and central location as well as explain its vertical continuation through all levels. With all communication lines and power lines focused towards the hub, it is possible that any one level could be completely "locked down" by its own security or the security hubs from either above or below its own level. This would provide maximum control over the entire facility.

The 'spokes' or corridors radiating away from the central hub, lead to numerous other labs in five different directions. Connect the spokes and a pentagon is revealed in its design. From above, this base resembles the layout of the Pentagon in Washington D.C. complete with halls, walls and military insignias! Since we do not have the exact heading on its corridors, magnetic alignments are impossible to determine.

When viewed laterally, its appearance takes on the look of a tree with a trunk at its center and its floors extending outwards like the branches. If this is a facility of science, then one could easily say that its lateral appearance is like that of the tree of knowledge (Note: The original Hebrew word for the tree of "knowledge" is "Dah'ath", or "cunning". It was the 'tree' where, according to Judeo-Christian accounts, the original 'serpent' convinced Eve to take part in a rebellion against the Almighty by promising her and Adam godhood. By accepting this false gospel of self-deification, so Genesis claims, Eve AND her husband who was WITH HER at the time, joined in the rebellion. Since they saw themselves as potential gods, they no longer 'needed' to depend on the Almighty as their Source, and once the flow from the SOURCE was broken the perfection that the world once knew was destroyed, as humankind

## and in fact all of nature ## began to turn 'wild'. In light of all of this, could the DULCE BASE be the modern TREE OF KNOWLEDGE [cunning], where the seed of the SERPENT and the seed of EVE have once again met in an unholy alliance, yet in a much more sophisticated form? In THIS case the "serpent" would be the GREYS, and the "forbidden fruit" would be the OCCULT-TECHNOLOGY that is being offered BY these demon-possessed beings to humans "elite" who are intent on "playing god" over their fellow man! Could it be that the Edenic scenario NEVER ENDED, but instead HAS BEEB and WILL KEEP ON REPEATING ITSELF OVER AND OVER until the "seed of Eve" once-and-for-all say "ENOUGH IS ENOUGH", and basically tell the serpent exactly where it can go!? - Branton).

Was this purposely designed this way or does it just happen to be a coincidence?

The overall design of this facility reminds one of a multi-stacked subterranean Hopi Indian kiva. Although I believe that it's somewhat of a disservice to the Hopi to even be spoken of in association with a cave of horrors like the Dulce base, its similarity in design should not be forgotten.

As cultures around the world tend to bring their own styles of architecture with them during periods of migration, so perhaps did the advanced civilization that 'originally' built [the] Dulce Base. If the reptilian influence over man is as great as archaic documentation and myth would have one believe, then there have to be other subterranean dwellings similar to this in other locations...

(Note: The following are some additional facts and comments, concerning the late Thomas Edwin Castello, which are not mentioned elsewhere in this work. These have been 'paraphrased' from the research files of John Rhodes. - Branton):

In 1961, Castello was a young sergeant stationed at Nellis Air Force Base near Las Vegas, Nevada. His job was as a military photographer with a top secret clearance. He later transferred to West Virginia where he trained in advanced intelligence photography. He worked inside an undisclosed underground installation, and due to the nature of his new assignment his clearance was upgraded to TS-IV. He remained with the Air Force as a photographer until 1971 at which time he was offered a job with RAND corporation as a Security Technician, and so he moved to California where RAND had a major facility and his security clearance was upgraded to ULTRA-3. The following year he met a woman named Cathy, they married and had a son, Eric.

In 1977 Thomas was transferred to Santa Fe, New Mexico where his pay was raised significantly and his security clearance was again upgraded... this time to ULTRA-7. His new job was as a photo security specialist in the Dulce installation, where his job specification was to maintain, align and calibrate video monitoring cameras throughout the underground complex and to escort visitors to their destinations. Once arriving in Dulce, Thomas and several other new 'recruits' attended a mandatory meeting where they were introduced to the BIG LIE, that:

"...the subjects being used for genetic experiments were hopelessly insane and the research is for medical and humane purposes."

Beyond that, all questions were to be asked on a need to know basis. The briefing ended with severe threats of punishment for being caught talking to any of the 'insane' or engaging in conversations with others not directly involved with ones current task. Venturing outside the boundaries of ones own work area without reason was also forbidden and, most of all, discussing the existence of the joint Alien/U.S. government base to any outsider would generate severe and, if necessary, deadly repercussions.

Thomas did his job as his superiors demanded. At first his encounters with actual gray and reptilian beings in the base were exhilarating, but soon he became acutely aware that all was not what it

appeared to be. Thomas slowly began to sense that there was an underlying current of tension existing between some of the personnel and himself. Once in a while he would walk around the corner, interrupting serious discussions between coworkers and, as Thomas was a security officer, these talks would die off into a short murmur and individuals would part company.

One particular part of his job was to go into various areas of the base and align the security monitoring cameras when it was necessary. This afforded him the opportunity to venture out and witness things that would stagger the imagination. Later he was to report seeing laboratories that investigated the following: Auraic energy fields of humans; Astral or spirit-body voyaging and manipulation; Psi studies; Advanced mind control analysis and application; Human brain memory recognition, acquisition, and transfer; Matter manipulation; Human/alien embryonic cloning; Rapid human body replicating by use of energy/matter transfer [complete with an individuals memory from the computer memory banks] and other scientific advances.

Once in a while Thomas would see some of the horrifying genetic creations that were housed in separate sections of the base. These, he knew, couldn't have had anything to do with mental illness or health research. Thomas didn't want to look any further. For every time he discovered more pieces to this underground maze, it became more and more overwhelming to accept. His curious mind, however, implored him to search for the truth regardless of his own desire to turn away in horror.

One day, Thomas was approached by another employee who ushered him into a side hallway. Here he was approached by two other gentlemen that whispered the most horrifying words... the men, woman AND CHILDREN that were said to be mentally retarded were, in fact, heavily sedated victims of ABDUCTION. He warned the men that their words and actions could get them in big trouble if he were to turn them in. At this, one man told Thomas that they were all observing him and noticed that he too was 'uncomfortable' with what he was witnessing. They knew that Thomas had a conscience and they knew they had a friend.

They were right, Thomas didn't turn them into his commanders. Instead, he made the dangerous decision to quietly speak with one of the caged humans in an area nicknamed "Nightmare Hall". Through their drug induced state, he asked their name and their home town. Thomas discreetly investigated the claim of this 'insane' human during his weekends out of the facility. He discovered through his search that the person had been declared missing in their home-town after vanishing suddenly, leaving behind their traumatized families, who followed dead ends and trailed flyers. Soon he discovered that MANY of the hundreds, perhaps thousands of men, women and children [from ALL AREAS OF THE WORLD] were actually listed as missing or unexplained disappearances. Thomas knew he was IN OVER HIS HEAD and so were several of his co-workers. All he could do, until somehow the situation changed, was to be alert and extremely guarded with his thoughts. The gray aliens' telepathic capabilities allowed them to 'read' the minds of those around them and if he revealed his intense anger, it would be all over for him and his new friends.

In 1978, tensions within the Dulce base were extremely heightened. Several security and lab technicians began to sabotage the genetic experiments. Increasingly frail nerves and paranoia finally erupted into what is commonly referred to as the Dulce Wars. It was a literal battle between the reptilians and the humans for the CONTROL of the Dulce base. It was the reptilians more than the humans that were pushing the "Big Lie", and insisted on using humans in their experiments, AND those who did not survive the experiments [were used] as 'sources' for the liquid protein tanks which 'fed' both embryonic gray fetuses as well as full grown grays, as a source of nourishment. The initial "Dulce War" conflict began on Level Three.

No one is exactly sure how it started, but we do know through Thomas' account that it involved the

[base] SECURITY FORCES armed with beam weapons known as "Flash Guns", machine-gun toting [U.S. Military] personnel, and the Gray alien species (who had apparently tried to turn the base security forces and U.S. Military forces against each other. - Branton). When the smoke cleared, sixty-eight humans had been killed, twenty-two were completely vaporized and nineteen escaped via the tunnels. Seven were recaptured and twelve remain in hiding to this day. Thomas returned to his post awaiting the planning of his own escape.

(Note: It is not known just exactly how many grays were killed in the conflict, but it is obvious that the human security personnel were far outnumbered by the aliens since literally thousands of grays worked in the lower levels of the Dulce base, according to Castello. There are indications that the 'spark' may have occurred when many of the scientists within the lower levels ## who had learned about the "Grand Deception" of the aliens and their LIES concerning the abductees ## were captured by the Reptilians and apparently confined deep within peripheral bases underneath the Ute Mountains of SE Colorado and SW Utah. A few others apparently escaped and told those in the upper levels what was happening below. The Grays/Reptiloids could not afford to let escape the fact that they had VIOLATED the treaty with MJ-12, and in fact had been violating it ALL ALONG with NO INTENTION whatsoever to keep it. They had hoped that the humans would not become wise to their "Trojan Horse" operation until they were able to infiltrate the planet more completely. At least 100 special forces were sent in by superiors who were ignorant of the whole picture in an effort to rescue the scientists and maintain order and control of the base, however the aliens ## who far outnumbered and out-teched the human forces ## managed to kill 66-68 of them. - Branton)

In 1979 the intense pressure that was brought upon Thomas in his job finally made him break the code of silence. He told his best friend, by a hand passed note, that he was working in a sub-surface, huge installation outside of Dulce, New Mexico.

He told his friend that he was working side by side with Gray aliens that consider themselves native Terrans and that the upside-down black triangle with the inverted gold colored T inside it was the insignia of the project.

Thomas knew that he had to leave the job for his own peace of mind, however now that he knew the truth about the abductees being held below, it would be almost impossible to live a 'normal' life. He would always be under observation and threat until the day he died. He also was aware of the fact that old age may not be his downfall. His demise could easily be expedited by certain individuals.

After one of his weekends away from the facility, he decided to return to work. This time through one of the less guarded air shafts, unannounced and into the base by way of secret passages. Once inside, he proceeded to appear as if he was working his normal duties while taking charge of every thought as he passed by Grays. During this time inside the base, he removed still photographs of the facility and treaties signed, with authentic signatures, between California Governor Ronald Reagan, several other individuals and the Grays. Thomas also managed to retrieve a 7 minute black and white surveillance video of genetic experiments, caged humans, Grays, as well as schematics of Alien devices and complex genetic formulas. These items, he felt, were not only his chance to a seat at the bargaining table when the need arose, but also they were things that the public needed to know about.

He made copies of the films, photo's and paperwork, packed several 'packages' and instructed several different people who he trusted explicitly to bury or hide them until the right time.

He was then made aware through certain sources that his wife, Cathy, and son, Eric, had been forcibly taken from their home to an undisclosed underground facility for 'safe holding' until he decided to return with the items. At this point, he knew that even IF he did return everything to the Dulce

commanders, that his wife and son were probably NEVER going to be the same again [if returned at all] after being manipulated by aggressive mind control. He also knew that he AND his family would most DEFINITELY become permanently missing due to some tragic accident. Thomas was at zero option. He quickly dissolved into a lonely life on the run. From state to state, border to border, motels to sofa's. Always looking behind him and trying his best to look ahead...

Further notes from John Rhodes:

During this initial period of evasion, Thomas was able to relay quite a bit of information about what was happening behind-the-scenes and what plans were being made by the government (that is, the fascist-corporate elements within the 'Executive-Intelligence-Industrial' government such as the NSA's MAJI & AQUARIUS agencies, which had re-established the collaboration two years following the cessation of official human interaction following the Dulce wars. - Branton) and the Grays. Some of it has been withheld by his closest friends as a control device in order to authenticate or invalidate some abductees' stories and researcher's findings. Believe me, there are some very well-known people who make a living from selling this type of information and they have been lying through their teeth about their 'experiences'.

(Note: Are some of these false accounts given within THIS volume? I do not know, and as I stated at the beginning of this work I am not excluding ANY information source ## although I may have my own 'opinions' on certain information such as with the Phoenix Project 'research'. However, I have decided to THROW IT ALL out on the table for all to see, and will allow the future to make its own judgments. Even if one or a few of the accounts are misleading, the odds that ALL of the combined accounts within this volume are false would defy the laws of probability. Perhaps the only way to tell for certain would be to do as the unsung hero Paul Bennewitz suggested ## that is to make a full-scale military assault on the base, conquer the aliens whether they be genetic creations or true aliens or both, and bring all activities there under full Congressional oversight. I'm sure that there will be no lack of potential military recruits for this type of assault, after all tens of thousands of young American men have in the past been sent off to die to protect CIA drug-running operations in the Golden Triangle, to give their lives for the United Nations' "New World Order", or in wars that were never meant to be won. I should however in all fairness state that in the Korean and Vietnamese wars there was a very real threat in the form of Communism, and many young men bravely fought and died in the defense of freedom. However their patriotism and hopes of victory were often sabotaged by Communist sympathizing Socialist U.N. officials or by covert drug operations or other hidden agendas. In other words if we have fought wars in the past against the 'tentacles' of the beast, so-to-speak, then I see no reason why potential recruits would shy away from a battle against the 'head' of the Beast itself, especially when we consider that such a battle or war might ultimately have galactic ramifications. One of the problems with the "Dulce Wars" was that only 100 special forces with high-level security clearances were unknowingly sent-in to a base inhabited by over 18,000 Greys. 44 of these reportedly survived the firefight ## which considering the opposition was a very good survival rate. However with the latest developments in military technology, with the current 'civilian intelligence' on the base which exists now thanks to Paul Bennewitz and others, and with the millions of American Christian Patriots who would no doubt be willing and ready to wage a HOLY WAR against the entrenched Draconian COLLECTIVIST forces on earth... the next military assault on the DULCE BASE will not be so one-sided. - Branton)

Legends from different parts of the globe all tell of an underworld inhabited by mystical beings of varied forms. I believe that the reptilian [race] still resides to this day underground. Hidden away in the dark crevices of the Earth and in the depths of the oceans. The evidence supporting this proclamation is also available through recent reports and historical documentation...

In the early 1960's, a subterranean nuclear blast occurred about 30 miles southwest of Dulce, New Mexico right off U.S. 64. This nuclear blast was conducted under the umbrella of project Plowshare, and was named Gassbuggy. It has recently been alleged that this particular subsurface nuclear blast was used to create a hollowed out chute or chimney for development of a substation for a super-secret tunnel system attached to an underground black book project base.

According to the infamous Thomas Castello ## a former Dulce base security technician ## this particular under-world city is a highly secret base operated by humans as well as reptilian aliens and their worker cast, the commonly encountered grays. It is here, apparently, that a multitude of experimentation projects are carried out. Primarily genetic experiments on kidnapped men, women, and children.

There are a myriad of other specialty science projects taking place at the Dulce base including, but not limited to: Atomic manipulation, cloning, studies of the human aura, advanced mind control applications, animal/human crossbreeding, visual and audio wiretapping, the list goes on...

Dulce, New Mexico is a strange place indeed. It's a sleepy little town perched upon the Archuleta Mesa, just south of the Colorado border in northern New Mexico.

Tourists passing through sometimes see little more life in the town other than that of a scruffy dog lazily spread out along side of the dirt road. Some claim that upon entering the town, black vehicles with heavily tinted windows tailgate them until they are outside the city limits and "heading out of Dodge"!...

In addition, several other sources, who wish to remain nameless, reported oddities in their work with operation 'Plowshare' during the 1960's. The project was created under the guise of the use of atomic bombs during peacetime, and forged ahead under the umbrella of "Natural Gas Exploration". In fact, several of these multi-kiloton blasts were used as a rapid way of developing huge sub-surface chambers for facility development. It is reported that the technology to clean radiation is available and already in use for such projects.

When I lectured on Friday, August 13th of 1993 in Las Vegas, I made public, for the first time ever, the floor plans to levels one and six of the Dulce Base. These floor plans were reproduced from the originals that were handed to Thomas Castello's friend. This friend did not previously release the floor plans because they were being used as a verification device to the claims of abductees that say they were there. To date, the originals have verified and disproved many stories circulating the field of ufology. This friend of Thomas Castello's, however, believes that it is time to begin [to] reveal the missing pieces...

The Dulce base floorplan was illustrated as per the originals by Thomas Castello and I released it... during my lecture in Las Vegas, Nevada. Its layout, when inspected carefully, appears to be extremely strategically planned.

From a vertical viewpoint, it resembles a wheel with a central hub and corridors radiating outwards like spokes. This 'hub' is the focal point of the entire base. It is surrounded by central security and extends through all levels of the base.

I believe this core to be the Achilles heel of the entire facility. It probably contains fiber optic communications and power lines. This would justify its highly guarded and central location as well as explain its vertical continuation through all levels. With all communication lines and power lines focused towards the hub, it is possible that any one level could be completely "locked down" by its

own security or the security hubs from either above or below its own level. This would provide maximum control over the entire facility.

The 'spokes' or corridors radiating away from the central hub, lead to numerous other labs in five different directions. Connect the spokes and a pentagon is revealed in its design. From above, this base resembles the layout of the Pentagon in Washington D.C. complete with halls, walls and military insignias! Since we do not have the exact heading on its corridors, magnetic alignments are impossible to determine.

When viewed laterally, its appearance takes on the look of a tree with a trunk at its center and its floors extending outwards like the branches. If this is a facility of science, then one could easily say that its lateral appearance is like that of the tree of knowledge (Note: The original Hebrew word for the tree of "knowledge" is "Dah'ath", or "cunning". It was the 'tree' where, according to Judeo-Christian accounts, the original 'serpent' convinced Eve to take part in a rebellion against the Almighty by promising her and Adam godhood. By accepting this false gospel of self-deification, so Genesis claims, Eve AND her husband who was WITH HER at the time, joined in the rebellion. Since they saw themselves as potential gods, they no longer 'needed' to depend on the Almighty as their Source, and once the flow from the SOURCE was broken the perfection that the world once knew was destroyed, as humankind ## and in fact all of nature ## began to turn 'wild'. In light of all of this, could the DULCE BASE be the modern TREE OF KNOWLEDGE [cunning], where the seed of the SERPENT and the seed of EVE have once again met in an unholy alliance, yet in a much more sophisticated form? In THIS case the "serpent" would be the GREYS, and the "forbidden fruit" would be the OCCULT-TECHNOLOGY that is being offered BY these demon-possessed beings to humans "elite" who are intent on "playing god" over their fellow man! Could it be that the Edenic scenario NEVER ENDED, but instead HAS BEEB and WILL KEEP ON REPEATING ITSELF OVER AND OVER until the "seed of Eve" once-and-for-all say "ENOUGH IS ENOUGH", and basically tell the serpent exactly where it can go! - Branton).

Was this purposely designed this way or does it just happen to be a coincidence?

The overall design of this facility reminds one of a multi-stacked subterranean Hopi Indian kiva. Although I believe that it's somewhat of a disservice to the Hopi to even be spoken of in association with a cave of horrors like the Dulce base, its similarity in design should not be forgotten.

As cultures around the world tend to bring their own styles of architecture with them during periods of migration, so perhaps did the advanced civilization that 'originally' built [the] Dulce Base. If the reptilian influence over man is as great as archaic documentation and myth would have one believe, then there have to be other subterranean dwellings similar to this in other locations...

(Note: The following are some additional facts and comments, concerning the late Thomas Edwin Castello, which are not mentioned elsewhere in this work. These have been 'paraphrased' from the research files of John Rhodes. - Branton):

In 1961, Castello was a young sergeant stationed at Nellis Air Force Base near Las Vegas, Nevada. His job was as a military photographer with a top secret clearance. He later transferred to West Virginia where he trained in advanced intelligence photography. He worked inside an undisclosed underground installation, and due to the nature of his new assignment his clearance was upgraded to TS-IV. He remained with the Air Force as a photographer until 1971 at which time he was offered a job with RAND corporation as a Security Technician, and so he moved to California where RAND had a major facility and his security clearance was upgraded to ULTRA-3. The following year he met a woman named Cathy, they married and had a son, Eric.

In 1977 Thomas was transferred to Santa Fe, New Mexico where his pay was raised significantly and his security clearance was again upgraded... this time to ULTRA-7. His new job was as a photo security specialist in the Dulce installation, where his job specification was to maintain, align and calibrate video monitoring cameras throughout the underground complex and to escort visitors to their destinations. Once arriving in Dulce, Thomas and several other new 'recruits' attended a mandatory meeting where they were introduced to the BIG LIE, that:

"...the subjects being used for genetic experiments were hopelessly insane and the research is for medical and humane purposes."

Beyond that, all questions were to be asked on a need to know basis. The briefing ended with severe threats of punishment for being caught talking to any of the 'insane' or engaging in conversations with others not directly involved with ones current task. Venturing outside the boundaries of ones own work area without reason was also forbidden and, most of all, discussing the existence of the joint Alien/U.S. government base to any outsider would generate severe and, if necessary, deadly repercussions.

Thomas did his job as his superiors demanded. At first his encounters with actual gray and reptilian beings in the base were exhilarating, but soon he became acutely aware that all was not what it appeared to be. Thomas slowly began to sense that there was an underlying current of tension existing between some of the personnel and himself. Once in a while he would walk around the corner, interrupting serious discussions between coworkers and, as Thomas was a security officer, these talks would die off into a short murmur and individuals would part company.

One particular part of his job was to go into various areas of the base and align the security monitoring cameras when it was necessary. This afforded him the opportunity to venture out and witness things that would stagger the imagination. Later he was to report seeing laboratories that investigated the following: Auraic energy fields of humans; Astral or spirit-body voyaging and manipulation; Psi studies; Advanced mind control analysis and application; Human brain memory recognition, acquisition, and transfer; Matter manipulation; Human/alien embryonic cloning; Rapid human body replicating by use of energy/matter transfer [complete with an individuals memory from the computer memory banks] and other scientific advances.

In 1978, tensions within the Dulce base were extremely heightened. Several security and lab technicians began to sabotage the genetic experiments. Increasingly frail nerves and paranoia finally erupted into what is commonly referred to as the Dulce Wars. It was a literal battle between the reptilians and the humans for the CONTROL of the Dulce base. Back in 1954, under the Eisenhower administration, the federal government decided to circumvent the Constitution of the United States and form a treaty with alien entities. It was called the 1954 Greda Treaty, which basically made the agreement that the aliens involved could take a few cows and test their implanting techniques on a few human beings, but that they had to give details about the people involved. Slowly, the aliens altered the bargain until they decided they wouldn't abide by it at all. Back in 1979, this was the reality, and the fire-fight at Dulce occurred quite by accident. I was involved in building an addition to the deep underground military base at Dulce, which is probably the deepest base. It goes down seven levels and over 2.5 miles deep. At that particular time, we had drilled four distinct holes in the desert, and we were going to link them together and blow out large sections at a time. My job was to go down the holes and check the rock samples, and recommend the explosive to deal with the particular rock. As I was headed down there, we found ourselves amidst a large cavern that was full of outer-space aliens, otherwise known as large Greys. I shot two of them. At that time, there were 30 people down there. About 40 more came down after this started, and all of them got killed. We had surprised a whole underground base of existing aliens. Later, we found out that they had been living on our planet for a long time, perhaps a million years. This could explain a lot of what is behind the theory of ancient astronauts.

Between 1979 when the Dulce and Groom wars broke out leading to the take-over of "our" joint operational bases and 1989 when the reptiloids/ grays took control of the Alternative-3 bases on Luna and Mars, several of the Melchizedek bases were also attacked as the reptiloids/grays turned on these native subterranean residents. During the two-year period when the executive branch of our government broke relations with the Grays following the Dulce-Groom wars, the intelligence community split into two factions: the American-Navy backed COM-12 agency which no longer desires interaction with the Grays, but seeks to maintain contact with the Pleiadeans instead and is fighting to preserve Constitutional government; and the Bavarian-CIA backed AQUARIUS agency which seeks to maintain contact with the Grays, etc. in that they are depending on their mind control technology, abductions and implants to impose a joint human- alien fascist "New World Order" dictatorship.

Between the Archuleta Mesa of New Mexico (the main headquarters of the malevolent Reptiloid forces) and Death Valley in California (below which lies the main headquarters for the benevolent humanoid forces) there are several bases where things are "out of control". These consist of huge cavern systems linked together via artificial tunnels... with main "bases" below Deep Springs, CA; Mercury, NV; Dougway SW of and Granite Mt. SE of Salt Lake City; Page, AZ; Creede and also the Denver International Airport in Colorado, etc.

The benevolent humanoid Federation forces involved are from the Andromeda and Pleiades constellations, and also Tau Ceti, Vega Lyra, Procyon, Wolf 424, Alpha Centauri, etc. The malevolent Reptiloid Empire forces are from Draconis and Orion, and also Epsilon Bootes, Zeta Reticuli II, Capella, Polaris, etc.

Both sides have more or less been at a state of war or truce for centuries however in recent years the "war" has been escalating, and has raged more or less through Arcturus, Bernards Star, Altair Aquilla, Aldebaran, and especially Sirius-B where Pleiadean humanoids, Draconian reptiloids and joint "collaboration" forces are currently at war. The epicenter of this war is now gravitating to the Sol system where the Draco-Orion forces are using Nemesis (a "Dark Star" beyond our system in the direction of Orion yet closer than Alpha Centauri, a protostar which was not quite large enough to ignite into a star and instead became a nearly invisible frozen planet about the size of Jupiter). Nemesis has been sending planetoids to earths vicinity which are actually hollowed carriers which have served as staging bases for the Grays' abduction, implantation, mind control programming, mutilation, and infiltration agendas in collaboration with a network of secret Bavarian-based societies.

These planetoids have been here since at least 1953 when two of them took up geosynchronous orbits around earth simultaneously, which led to the CIA's contacts with the Grays and the subsequent landing at Muroc-Edwards AFB in 1954 and the resulting GREADA54 treaty. It is interesting that an anonymous source in the Ames Research Center confirmed that the asteroid Geographos (the one the Clementine probe was going to intercept and on which it was going to "test" an SDI particle beam disintegrator) had made at least 12 course alterations in the period of 6 months.

**note :**

The DULCE Base has studied Mind Control Implants, Bio-Psi Units, ELF Devices capable of Mood, Sleep and Heartbeat Control, etc,etc.

This facility is a "GENETICS LAB" and is connected to Los Alamos, via a "Tube-Shuttle." Part of their research is related to the General Effects of Radiation (Mutations and Human Genetics). Its research also includes other "Intelligent Species" (Alien Biological Life Form"Entities").

D.A.R.P.A. (Defense Advanced Research Projects Agency) is using these Technologies to manipulate people. They establish 'The Projects', set priorities, coordinate efforts and guide the many participants in these undertakings. Related Projects are studied at Sandia Base by "The Jason Group" (of 55 scientists). They have secretly harnessed the Dark Side of Technology and hidden the beneficial Technology from the Public.

Other Projects take place at "AREA #51" in Nevada..."DREAMLAND"[Data Repository Establishment and Maintenance Land], ELMINT[Electro-Magnetic Intelligence], CODE EMPIRE, CODE EVA, PROGRAM HIS[Hybrid Intelligence System], BW/CW, IRIS[Infrared Intruder System], BI-PASS, REP-TILES.

The genetics base (underground) co-run by the US government and the Greys is near Dulce, New Mexico, just below the NM-CO border. It is VERY dangerous to go exploring there, cause if you're caught, you'll likely get a 1 way ticket to the base. One level is called Nightmare Hall where the Greys are doing hideous experiments. You should read Matrix II by Valdamar Valarian if you really want to be shocked. As the governments are working with the Greys (including the Canadian gov't), there's not anything you can do except by becoming as aware as you can and spreading the information.

## INSIDE THE DULCE BASE

Security Officers wear jumpsuits, with the Dulce Symbol on the front upper left side. The standard hand weapon, at Dulce is a "Flash Gun", which is good against Humans and Aliens. The ID card (used in card slots, for the doors and elevators) has the Dulce Symbol above the ID photo. "Government Honchos" use cards with the Great Seal of the U.S. on it. "The Cult of the All-Seeing Eye" (THE NEW WORLD ORDER) 13, "666" The Phoenix Empire....."9" "Illuminism"... "One out of many".

After the Second Level, everyone is weighed, in the nude, then given a Uniform. "Visitors" are given an 'off white' uniform. In front of ALL sensitive areas are scales built under the doorway, by the door control. The persons card must match with the weight and code or the door won't open. Any discrepancy in weight (any change over three pounds) will summon Security. No one is allowed to carry anything into or out of sensitive areas. All supplies are put through a Security conveyor system. The Alien Symbol language appears a lot at the Facility.

During the construction of the Facility (which was done in stages, over many years) the Aliens assisted in the Design and Construction materials. Many of the things assembled by the workers, were of a Technology they could not understand, yet...it would function when fully put together. Example: The elevators have no cables. They are controlled magnetically. The Magnetic system is inside the walls.

There are no conventional electrical controls. All is controlled by advanced Magnetics. That includes a magnetically induced ( phosphorescent ) Illumination System. There are no regular light bulbs. All EXITS are magnetically controlled. Note: it has been reported that, "If you place a large magnet on a entrance, it will affect an immediate interruption. They will have to come out and reset the system."

The DULCE FACILITY consists of a Central "HUB", the Security Section, (also some photo labs). The deeper you go, the stronger the Security. This is a multi-leveled Complex. There are over 3000 cameras at various High-Security locations (exits and Labs).

There are over 100 Secret Exits near and around Dulce. Many around Archuleta Mesa, others to the south around Dulce Lake and even as far east as Lindrith. Deep sections of the Complex connect into natural Cavern Systems.

A person who worked at the Base, who had an "ULTRA 7" Clearance, reports: "There may be more than seven levels, but I only know of seven. Most of the Aliens are on 5-6-7 Levels. Alien housing is Level Five."

Level #6 is privately called "NIGHT-MARE HALL", it holds the Genetic Labs. Reports from workers who have seen bizarre experimentation, are as follows: "I have seen multi-legged 'humans' that look

like half-human /half-octopus. Also Reptilian-humans, and furry creatures that have hands like humans and cries like a baby, it mimics human words... also huge mixture of Lizard-humans in cages". There are fish, seals, birds and mice that can barely be considered those species. There are several cages (and vats) of Winged-humanoids, grotesque Bat-like creatures...but 3 1/2 to 7 feet tall. Gargoyle-like beings and Draco-reptoids.

Level #7 is worse, row after row of thousands of humans and human mixtures in cold storage. Here too are embryo storage vats of Humanoids in various stages of development. "I frequently encountered humans in cages, usually dazed or drugged, but sometimes they cried and begged for help. We were told they were hopelessly insane, and involved in high risk drug tests to cure insanity. We were told to never try to speak to them at all. At the beginning we believed that story. Finally in 1978 a small group of workers discovered the truth. It began the Dulce Wars". (and a secret resistance Unit was formed) Note: There are over 18,000 "Aliens" at the Dulce Base. In late 1979, there was a confrontation (over weapons), a lot of Scientists and Military personnel were KILLED. The Base was closed for a while....But, it IS currently active. Note: Human and animal abductions (for their Blood and other parts) slowed in the mid-1980s, when the Livermore Berkeley Labs began production of artificial blood for Dulce. William Cooper states: "A clash occurred where in 66 people, of our people, from the National Recon Group, the DELTA group, which is responsible for Security of all Alien connected Projects, were killed." The DELTA Group (within Intelligence Support Activity) have been seen with badges which have a black Triangle on a red background. DELTA is the fourth letter of the Greek alphabet. It has the form of a triangle, and figures prominently in certain Masonic Signs. \*EACH BASE HAS ITS OWN SYMBOL. The DULCE Base symbol is a triangle with the Greek letter "Tau") within it and then the symbol is inverted, so the triangle points down. \* The Insignia of "a triangle and 3 lateral lines" has been seen on "Saucer (transport) Craft", The Tri-Lateral Symbol. \* Other symbols mark landing sights and Alien Craft.

The Dulce Base is run by a "Board."

The Chairman of the Board is JOHN HERRINGTON. JIM BAKER (of TENN) is the CIA link to Dulce. House Speaker JIM WRIGHT, D-Texas (the nations third highest office) is Treasurer at Dulce.

BECHTEL (pronounced BECK-tul) is a supersecret international corporate octopus, founded in 1898. Some say the firm is really a "SHADOW GOVERNMENT" - a working arm of the CIA. It is the largest construction and engineering outfit, in the USA and the WORLD (and some say BEYOND).

The most important posts in the US Government are held by former BECHTEL Officers. They are part of "The WEB" (an interconnected control system) which links the Tri-Lateralist plans, the C.F.R. the Orders of "Illuminism" (Cult of the All-Seeing Eye) and other interlocking groups.

There is currently a power struggle going on. As Rep. William Thomas, R-Calif., put it... Part of Jim Wrights problem is; "HE fails to understand what's equitable and fair. It's the arrogance of power." Even among his fellow Democrats, many find Wright to be "uncomfortably aloof". Wright's operating style leaves him vulnerable.

Most meetings of "The Dulce Board" are held in Denver and Taos (N.M.). Former New Mexico Senator Harrison "Last man on the Moon" Schmitt has full knowledge of Dulce. He was one of 7 Astronauts to tour the Base.

In 1979, he held an "Animal Mutilation" conference in Albuquerque, N.M. This was used to locate researchers and determine what they had learned about the links between the "Mute" operations and the Alien/Government.

Senator BRIAN (Nevada) knows about the "ULTRA" Secrets at "DREAMLAND" and Dulce. So do many others in the Government...this is what the UFO Researchers are up against.... so BE CAREFUL...they have KILLED to keep this info Secret.

## Area-51 Expanding Area-51 & Area-52 Never Shut Down & Never Moved

This document has been obtained through Edgar Fouché, the Author of Alien Rapture. Besides of black projects, it also dismisses rumors about the so-called move of Area-51 to Utah.

There is no truth whatsoever to the ridiculous rumor that AREA 51 and its operations were abandoned and were relocated elsewhere, such as to Utah. Basically this rumor had originated from a disinformative article written by Jim Wilson that first appeared in the June, 1997 issue of POPULAR MECHANICS.

The unexpected article no doubt was greatly appreciated by Nellis AFB and particularly those at the remote operating locations at Groom Lake facility. The folks at Nellis AFB probably rolled on the floor laughing over the article on AREA 51, which was for the most part filled with factual errors to their absolute delight!

The June, 1997 POPULAR MECHANICS piece also brought much delight to then Secretary of the Air Force, Sheila Widnall. It is my hope that this type of misinformed article did not serve to curtail the general public's interest and rightful scrutiny of AREA 51 (Groom Lake Complexes), particularly in regards to those issues relative to the alleged infractions of environmental statutes at the site.

The article, written by Jim Wilson, science editor of POPULAR MECHANICS, inferred that "the Air Force had abandoned top-secret testing at its once most secret test site". Then Wilson came to the conclusion and stated that "we know why and we know where they moved to (i.e., Utah)".

Nothing is farther from the truth than this overly generalized inference. Jim Wilson, despite his probable sincerity and good intentions, obviously missed the whole picture. To begin with, he obviously took a wrong turn on "Groom Lake Road" and went to the wrong location. It was obvious from the photo that what he did was go south on the "Mail-Box Road" from Hwy 375, crossed the "Groom Lake Road" and went further south all the way till he encountered an old, poorly maintained wind fence, believing that he had arrived at the back gate of AREA 51, when actually he had arrived at the northeastern boundary of Range 61.

There he decided that nothing was happening at AREA 51, and made a statement, saying "the 'cammo dudes' are no longer patrolling the perimeter of AREA 51" and further stated that "what we found was a securely locked wind fence that appears to have been undisturbed for months". He further commented that even though he had arrived at the back door to AREA 51, there was "no guard post". Brilliant!! (There never was any.....ever at that location!!).

He also stated in the article that the "warning signs flanking the gate aren't very threatening either". The reason for that is because there never was any "threatening" warning sign there except the sign that says NO TRESSPASSING.....Nellis Bombing Range. It is because that location is not AREA 51.....it is the northeastern boundary of Range 61.

Wilson then came to the naive conclusion that "AREA has shut down!!! Again, a brilliant conclusion! I suggest next time that he go to the right location.....towards the real Guard Shack area.....(west all the way on Groom Lake Road)....where he may really encounter the 'cammo dudes', white Jeep Cherokees and perhaps a military chopper or two to welcome him, if he dare go to the Guard Shack area. He would also see some real "threatening" warning signs along the dirt road that clearly say LETHAL FORCE WILL BE USED.

From what I understand from several reliable sources, Groom Lake has not had a major lessening of

activity whatsoever. In fact, there may be more going on at Groom Lake now than before. In October of 1997, I observed Groom Lake facility from high atop Tickaboo Peak and verified with my own eyes that the facility is not only there but even thought that there may be slightly more buildings there than before.

A couple of new water tanks seem to have been added recently behind the big hangar. Also deducing from a fairly recent panoramic photo that I acquired (allegedly taken right after the closure of both Freedom Ridge and White Sides) I have no doubt that there are some new constructions going on along the southwest slope next to Groom Lake. (I had observed Groom Lake facility a number of times before from both the White Sides hill and the Freedom Ridge before those hills became off-limits to the public).

Also, the night prior to climbing the Tickaboo Peak in October of 1997, we were standing at the exact spot where Jim Wilson had stood.....at around 7:30 p.m. at the northeastern boundary of Range 61. As we were looking towards the direction of Groom Lake, we were surprised by a sudden illumination of the sky just over the direction of Groom Lake and witnessed around 3 or 4 red "balls" of lights that appeared over the direction of Groom Lake and then disappeared momentarily, after which the sky over that area returned to total darkness. I could not speculate what those reddish "balls" of light were.....but this went on intermittently for about three times during the next 20 minutes or so.

There was no doubt that there was activity of some kind that night at Groom Lake. This was in stark contrast to the allegation by Jim Wilson that nothing was going on at AREA 51 when he was standing at the northeastern boundary of Range 61, looking towards Groom Mountains. Probably nothing major was going on that was visible on that particular day or evening when he was there. Moreover, we have to bear in mind that most sensitive programs are thought to be conducted below ground level, to begin with. Primarily because of the misinformative article from POPULAR MECHANICS, the whole world seems to be under the impression that there is nothing going on at AREA 51, and that everything had moved to the Green River Missile Launch Complex in Utah.

One of the erroneous facts that Jim Wilson mentioned in the POPULAR MECHANICS article was that there was an "officially named AREA 6413" in Utah. There is no "officially named AREA 6413" in Utah. What he meant to say was Restricted Air Space 6413 in Utah. However, even to this date, one can easily get right next to the Green River Missile Launch complex.

There is nothing top-secret going on over there. Rather than the Green River Missile Launch Complex (which Jim Wilson inferred as the possible site of the New AREA 51), we should keep a closer eye on the new programs going on at Dugway Proving Grounds. It is far more interesting there than the Green River area!! All in all, the POPULAR MECHANICS article was in such a drastic contrast to the more well-researched article that coincidentally appeared one month prior, in the May, 1997 issue of POPULAR SCIENCE in which Groom Lake was mentioned several times, with an inference that there was still plenty going on at Groom Lake. Some of the ongoing programs at AREA 51, according to reports from Monitoring Times and other publications, seem to include a new series of B-2 follow-on by Northrop/Grumman at S-2, possible series of newer Darkstar (Tier 3 - UAV) by Lockheed at S-4 and Tier 2+ and Tier 3+ UAVs at S-9 by such as Teledyne Ryan Aero. In June of 1997, after the article appeared on POPULAR MECHANICS, I was informed that some new components of new, small-scale VTOL produced by Lockheed had just been transferred to Groom from Air Force Plant 42 in Palmdale, California.

There is no doubt that there are new generations of Unmanned Aerial Vehicles (remotely controlled surveillance platforms, etc.) being tested at Groom Lake. New testing of "skins" for outer coating for a new generation of stealth program is going on as well, as inferred by the May issue of POPULAR SCIENCE.

A new generation of "electro chromic panels" are probably continuing to be tested at the facility. A

move towards daytime "stealth" capability (such as through the use of special sensors for transmission of image reflections of the background environment on the lower as well as upper bodies of the aircraft) may be in the works at AREA 51. I would not be surprised at all if they were working on such as tri-dimensional holographic image maximization that could be part of "electro chromic panels" used to reflect background environment on the aircraft to bring about distorted image of the aircraft as well. Anyway, there may be some new programs going on in Utah and elsewhere, but to infer that AREA 51 "moved" to Utah is totally unfounded.

Groom Lake Facility and Area 51 Researcher This is an invitation for the public and the press to participate in and to cover the upcoming event known as The People's Rally at AREA 51 in Nevada. The People's Rally at AREA 51 will take place as scheduled on Saturday-Sunday, June 5-6, 1999, right at the restricted boundary line on Groom Lake Road (in Lincoln County, Nevada), as previously announced worldwide in the Internet newsgroups. Crowds of anywhere from 400 to 800 people at the site are expected for the event. This will be the first time that a large number of citizens will assemble right next to AREA 51, the base that officially "doesn't exist". Possibly the same for AREA-52 :

This will be a legal, public assembly and will take place on legal, public land. The event is intended to be a spontaneous, peaceful gathering of concerned citizens. There will be speakers at the Rally to address several key issues. One of the purposes of the gathering will be to bring to the attention of the newsmedia once again the continuing plight of former Groom Lake workers who are still suffering from illnesses caused by long-term exposure to highly toxic chemicals without their knowledge while working at AREA 51, the base that officially "doesn't exist".

The former workers and their families' plea is not so much to seek for monetary compensation as to seek for cures to the diseases. At the People's Rally, the following proposals will be made:

- 1) That the government, through its most appropriate agency or channel (whichever one they may deem appropriate) and through a publicly recognized media, give a brief statement, once and for all, of assurance that the former workers were or are being medically treated for their illness.
- 2) That the government construct a clearly marked new fence at least several miles along the restricted boundary on both sides of Groom Lake road, instead of vague thin orange posts posted wide apart.
- 3) That the government construct a new Guard Shack right at the restricted boundary line (where it should be, to begin with) by Groom Lake road, instead of the present Guard Shack which is hidden more than a third of a mile inside the restricted area.
- 4) That there be a Public Affairs Office built specifically regarding this base, separate from the PA office at Nellis AFB, which at present is incompetent to give proper answers regarding the base since it is not a Nellis asset.
- 5) That the government designate this multi-faceted base in more concrete terms and not just a vague designation like "an operating base by Groom Lake", which is still being used. The lack of an official name of the base could bring about more problems in the future when dealing with rightful lawsuits that may arise from any future accidents at the base.

These are some of the proposals to be made at the Rally. According to Norio Hayakawa, founder of a

group called the Civilian Intelligence Network (which he describes as a citizens' watchdog group on government oversight), the government has in the past several years concocted, disseminated and manipulated popular theories linking AREA 51 with "extraterrestrial" UFOs and "alien" technology in order to discredit any serious scrutiny of this multi-billion dollar facility and its programs, some of which may be in gross violation of environmental statutes.

Hayakawa also speculates that some of the weapons systems research and development at the site not only far exceeds the bounds of national defense interests but also may serve to promote and accelerate certain "globalist elitist" agendas. Quite a number of people may already be camping out overnight on Saturday, June 5 at the site. There will be a special news conference in Rachel, Nevada (approximately 21 miles north of the "secret base"), the day before the event. (Tel. 702-729-2515) The news conference will take place at 12 noon. The main event on Sunday, June 6, 1999 will take place, beginning at 6 a.m., right at the restricted boundary line. All vehicles are to be parked off Groom Lake Road. Lincoln County Sheriff Dept. will not allow any vehicle to be parked on the dirt road for the event. On the evening of June 6, there will be music, etc. in Rachel. Also, early on Monday morning, June 7, there will be a hike up to the ridges of Tikaboo Mountain to observe the Groom Lake facility. The hike may take about 3 hours. For Simple Directions and Maps on how to get to the AREA 51 Rally, go to: Maps to Area 51 (<http://www.eagle-net.org/groomwatch/maps.htm>)

NORIO's BIONorio Hayakawa is a former Southwest Regional Director of the Civilian Intelligence Network, a Los Angeles- based loosely-knit nationwide network of civilian researchers, intelligence gatherers and analysts who evaluate and exchange pertinent information on the government's so-called DEEP BLACK Projects and covert operations programs. The network's particular emphasis for the past nine years has been focused on the monitoring of the military-industrial complexes' covert programs being conducted at AREA 51 (a.k.a. Groom Lake Complexes, or DREAMLAND) and the alleged Site 4 area in Nevada.

Since the summer of 1989 he has extensively investigated and acquired substantial information on the goings-on at the secret military base and has been instrumental in the production of several TV specials, both Japanese and American. He has accompanied TV crews and journalists to Groom Lake's outer perimeters since 1990.

His speculation is that a secret global network of elitists ("cabal"), ever since 1947, "coincidentally" or not, just one year prior to the modern-day re- establishment of the State of Israel, has been concocting, disseminating and manipulating growing popular beliefs in "UFOs" and "alien presence" in order to stage a phony "extraterrestrial" series of events in the very near future to cause worldwide panic in order to bring about an urgency for the implementation of the first stages of a global government (the New World Order) upon the ashes of American sovereignty.

The time-frame to watch for could be anytime between 1998 and the year 2002. 1998, 1999 and the year 2000 are significant years in that each of these three consecutive years is numerically integrated with what could be described as "diabolical trinity". (1998 is the year of triple 666, 1999 divided by three results in 666.333 to infinity, signifying 666 plus one third....numerical (fractional) symbol for what the Bible refers to as "fallen entities", and finally, the year 2000 divided by three results in 666.666 to infinity).

1998, the first of these three years, is also "coincidentally" the 50th anniversary of the modern-day re-

birth of Israel. 1947, one year before the re-birth of Israel, was also significant in that it was the year when CIA, the successor organization to OSS, came into existence, along with the National Security Act (with subsequent establishment of NSA .....

National Security Agency). 1947 was also the year when the Department of the Air Force was officially created. 1947 was also the year of the so-called Roswell "incident", which may possibly have been some type of a "necessitated" alternate "staged event" extemporaneously but tactfully set up to conceal some of the military's testing of several prototypes of "flying wing" aircraft and other experimental aircraft in 1945, 1946 and 1947 in White Sands missile range in New Mexico.

(According to a 1947 Army document which was re-graded and declassified on July 6 of 1994, the U.S. military already in 1947 had prior knowledge of several German prototypes of "flying wing" experimental aircraft which were test-flown in Lechfeld, Germany in 1943 and 1944.....after World War II, it is said that through Operation Paperclip, quite a number of German engineers and scientists were brought into the U.S. to continue their testing of these new experimental aircraft which they passed along to American scientists and engineers.....these were later incorporated as part of the DEEP BLACK Projects at locations such as at AREA 51 in Nevada).

The technology required to simulate such a fake event is now being readied at locations such as at AREA 51, the nation's leading-edge technological research and development center for a new series of advanced triangular aircraft such as the alleged TR-3A (the "Black Manta"), new series of Unmanned Aerial Vehicles (UAVs), remotely- controlled surveillance and delivery platforms (some of which are oval-shaped), advanced aeronautics and avionics' integration with exotic weapons systems, electronic warfare programs, world-wide data control systems (Data Repository Establishment and Management ## DREAM), simulations technology (including the Battle Engagement Area Simulator/Tracker ## BEAST), developed by the U.S. Naval Research Laboratory for DARPA's SDI programs, tridimensional "battlefield" holographic image projections technology, satellite reconnaissance and data linkage systems, integration with the HAARP systems (currently being expanded in Alaska and elsewhere and scheduled to be in full operation from 1998 on) and hosts of startling "mind-control" weaponry under the euphemistic name of "non-lethal" weapons systems.

Can the U.S. "government", by using high technology, soon deceive the public by simulating a series of "staged" "extraterrestrial" events for reasons yet unknown? See this fascinating two-hour video, the All New Visuals Version of SECRETS OF DREAMLAND. VIDEOSNorio Hayakawa's two-hour video, SECRETS OF DREAMLAND, has become an underground hit throughout the world since May of 1995, when it was produced.

Tomorrow they will be grateful! This is especially true if they were told that there were an outside threat from beyond, whether real or promulgated, that threatened our very existence. It is then that all peoples of the world will plead to deliver them from this evil.

The one thing every man fears is the unknown. When presented with this scenario, individual rights

will be willingly relinquished for the guarantee of their well-being granted to them by the World Government"

Dr. Henry Kissinger, Evians, France, 1991 When Orson Welles aired H.G. Wells' "panic play", WAR OF THE WORLDS, over network radio in 1939 depicting an invasion of Earth from outer space - the public panicked. Some people committed suicide. In the minds of those mesmerized by "The Show" - the world has come to an end. It was only an illusion, then. But now, in the late nineties, as we rush toward Millenium 2000, we are confronted with new evidence that the military has been developing amazing exotic weapons for mass control, such as manned or unmanned "flying discs" and other aerial vehicles over the past half-century in Black Projects, the technologies whose origins of which we are still not certain.

Further still, evidence suggests that some of the "aliens" have been bio-genetically engineered at secret government laboratories. Does the American Illuminati have any reason to panic the public by "creating" a cataclysmic invasion from outer space? The elitists understand that the masses would have to be terrorized through the "staging" of an "event" for them to voluntarily give up their nations, their independence and their freedom to a global government that would offer to "protect" the planet from the space invaders (see Kissinger quote)

For centuries they have created crisis after crisis to bring about control, as reflected in their motto, "Ordo Ab Chaos". But it's not that simple. It doesn't mean at all that there are no hidden agendas lurking somewhere

behind the facade of this "top-secret" area in Nevada..... In fact, I believe that what is being readied there for a very near-future agenda will affect every single individual, like it or not. Fortunately or unfortunately (depending on an individual's viewpoint on the subject matter), at least for this moment, the bottom line as far as AREA 51 is concerned, is as follows:

- 1) there seems to be no documented evidence whatsoever to the claims of Bob Lazar on AREA 51 and S-4.
- 2) there seems to be no physical, tangible evidence, furthermore, that there are (or ever have been) alien entities or alien-derived technology at AREA 51, or anywhere else, for that matter.
- 3) but there seem to be plenty of circumstantial evidences that the military has been experimenting with highly advanced, unconventional aircraft for many years in that general vicinity in Nevada, perhaps the least spectacular of which could be the black, triangular TR-3A (the Black Manta), the alleged, diamond-shaped Pumpkin Seed programs, the alleged Aurora programs and even some circular-winged aircraft modeled after the so-called (and alleged) Townsend Brown flying disk technology, as well as a new generation of stealth technology (including a new series of stealth helicopters), not to mention a new generation of Unmanned Aerial Vehicles (UAVs)..... We must bear in mind that the 'government' in the past has brilliantly created "cover stories" to conceal the real agenda. If worse comes to worse, it can even take hold of and manipulate even the so-called "paranoid" conspiracy theories themselves to confuse and conceal the real agenda.....

The so-called "UFO community", however, (per the likes of Bob Lazar, et. al., whether wittingly or unwittingly) seems to have succeeded in the total "mystification" of the entire AREA 51 concept, so much so that the 'government', I believe, has begun to manipulate such a belief system of the public (i.e., the "alien" connection to AREA 51) as it prepares to go ahead with its own "planned" agenda. AIR FORCE, AREA 51, UAVs and PSYOPS' HOLOGRAPHIC TECHNOLOGY From Norio Hayakawa Quoting from CONTACT: THE PHOENIX PROJECT (June 3, 1997):..... PENTAGON'S NEW INFORMATION WAR + PSYOPS' HOLOGRAPHIC TECHNOLOGY.....

The March 31, 1997 DEFENSE WEEKLY ran a story, "Air Force Organizes For Offensive Info War". According to the article, the US Air Force has created the position of deputy director for information operations... An "Offensive Information Warfare" division will be created under the new deputy director. The division will have the organizational code AF/XO1OW and will be headed by Lt. Col. Jimmy Miyamoto..... Offensive information warfare, which implies attacks on both military and civilian targets, is among the least discussed aspect of the Air Force's moves to organize, train and equip the service for information dominance, the article admits..... The new information Operations office will coordinate with the Pentagon's Joint Chiefs of Staff, National Security Agency, Defense Intelligence Agency, National Reconnaissance Office, Defense Airborne Reconnaissance Office and National Imagery and Mapping Agency..... New research efforts are under way to support this new program, including:..... Lethal HPM munitions.

The USAF Office of Scientific Research is working on developing a small affordable laser and high-powered microwave for unmanned aerial vehicles (\*UAVs - such as the ones possibly being tested at Groom Lake Complexes (AREA 51) in Nevada, General Aerodynamics facility by El Mirage Dry Lake, north of McDonnell-Douglas radar cross-section site near Llano, California, Fort Benning, Georgia, covert facilities in Utah, etc. etc.) to perform a wide variety of missions, including enemy communications and computer systems..... Software viruses to be placed or injected into enemy weapons and information links.

These viruses would remain dormant until activated by satellite, aircraft radar, or jamming equipment, etc. When activated, the virus would render the equipment useless, or better yet, "there could be a very subtle change for a finite period of time".....

Holographic projection. The article describes a quasi-information warfare/psychological operations

program that was first discussed in the Air Force after Desert Storm. Holographic projection involves projection of a three-dimensional holographic image in project decoys, or even an "angry god" (religious imagery) above the battlefield..... The Pentagon had listed the holographic projections openly as part of its "non-lethal" weapons program. But since 1994, the program has disappeared from view, evidently now a "BLACK" effort, says DEFENSE WEEK..... In conclusion, the DEFENSE WEEK article states that the Army's JFK Special Warfare Center and School in late 1991 disclosed that it was looking to develop a PSYOPS Hologram System with a capability to "project persuasive messages and three-dimensional pictures of cloud, smoke, raindroplets, buildings.....(\*or, for that matter, even "flying saucers" and religious "figures").....The use of holograms as a persuasive message will have worldwide application". (END QUOTING)... (This looks like it will be a concentrated unit of soldiers armed with the very latest high-tech weapons systems). \*Norio Hayakawa

The following is a transcript of parts of a speech presented by Norio F. Hayakawa, director of the CIVILIAN INTELLIGENCE NETWORK, at the 11th 'LOS ANGELES WHOLE LIFE EXPO' held at The Los Angeles Airport Hilton Convention Center on November 16 and 17, 1991. The transcript from which we will quote is a revised and expanded version of the address written on June of 1992 and titled: 'UFO'S, THE GRAND DECEPTION AND THE COMING NEW WORLD ORDER':

"...AREA 51 is located in the northeastern corner of a vast, desolate stretch of land known as the Nevada Test Site (a large portion of which includes the Nellis Air Force Test Range) but had practically nothing to do with underground nuclear testing. It is located approximately 125 miles north-northwest of Las Vegas and consists of Groom Lake and the Papoose Lake Complexes. The presently expanding eastern portion of the latter complexes is known as the S-4 site.

"This entire area is under the strictest control of Airspace R-4808N (with unlimited 'ceiling'), prohibiting any entry therein of air traffic, civilian or military, unless special clearance for such entry is secured well in advance. By land, the area is meticulously patrolled 24-hours a day by several tiers of external security even through it is conveniently covered by the... Jumbled Hills (that cover north of the Papoose Lake area), making it virtually impossible for anyone to see the facilities without first climbing atop the hills of the rugged mountain range which became off-limits to the public since 1985.

"The main external perimeter security is now being handled by Wackenhut Special Securities Division, part of the operations of Wackenhut Corporation, a worldwide semi-private security firm based in Coral Gables, Florida which has an exclusive contract with the U.S. Department of Energy and handles not only the perimeter security at the Nevada Test Site but also at many other secret facilities and sensitive installations throughout the U.S. and U.S. interests worldwide, including ground-level perimeters for several large underground facilities in and around Edwards Air Force Base in Southern California.

"It is also important to mention that dozens of unmanned, miniature-sized remote-controlled automatic security vehicles constantly patrol the immediate perimeters of the S-4 Site, located around (and

presently expanding particularly towards the eastern portion of) Papoose Lake. These automatic, miniature- sized four-wheel vehicles have been produced by Sandia Laboratories of Albuquerque, New Mexico exclusively for the Department of Energy.

"The outer northeastern perimeters of this area located in the Tickaboo Valley come under the geographical jurisdiction of Lincoln County and are relegated to the Bureau of Land Management (B.L.M.). Yet it is considered highly inadvisable for anyone to even enter the main country dirt road, known as the Groom Road, which begins its southwestern extension towards Groom Lake from a point midway between mile marker 34 and 33 on Highway 375, and leads to the guard shack located two and a half miles northeast of the Groom Lake complexes.

"The first line of exterior security forces (dressed in military-type camouflage uniforms but with no insignia of any kind whatsoever) consists of the GP patrols (the 'Groom Proper' patrols, in Bronco-type four-wheel drive vehicles) who sometimes drive around at night with their lights off on various country dirt roads adjacent to the outer demilitarized zone, intimidating any civilian vehicle that tries to enter those access roads (off of Highway 375) located on public land. The GP patrols themselves (part of Wackenhut Special Securities Division), however, are strictly ordered to avoid any direct contact with civilians. They are only instructed to radio the Lincoln County Sheriff immediately should anyone be spotted driving on any of those dirt roads. The most common radio frequency used between Security Control and Lincoln County Sheriff's patrols is 138.306 MHZ.

"...The only area 'allowed' by the Sheriff for such curiosity seekers to 'congregate' is an open area near a black mailbox located at the south side of Highway 375 between mile marker 29 and 30. Even then, the Sheriff patrol will routinely stop by during the evening to check on the cars parked at the mailbox area.

"Moreover, it is our understanding, based on information provided by a highly reliable source connected to a special U.S. Navy SEAL operations center, that the mailbox area is constantly being monitored by high-powered, state-of-the-art, infra-red telescopes set up at a facility known as Security Control high atop Bald Mountain (10 miles west of the area), the highest peak in the Groom Mountain Range.

"...It was precisely at 4:45 a.m. on the morning of Thursday, April 16, 1992, that an NBC news crew, dispatched to the area to report on the landing of an alleged super spy-plane known as Aurora on Groom Lake, accidentally succeeded in video- taping the first flight (which we have been calling the 'Old Faithful') of (a) mysterious object while standing at the mail- box area and looking due south toward Jumbled Hills. The footage, taken with a night-scope vision camera, was broadcast nationally on NBC Nightly News with Tom Brokaw on April 20, 1992. The NBC News reported that it had video-taped a test flight of a new U.S. aerial craft that had definitely defied the laws of physics, and that the news team may thus have taken the first glimpse of the other 'deep black' projects (aside from the Aurora project) being conducted within the confines of the top-secret facility.

"Also in regards to the ongoing program, it is to be noted that usually a day or two prior to significant test flights (i.e., only if the test flight is a significant one, by whatever measure known only to the installation) a vehicle-traffic counter is laid on Highway 93, at approximately a mile and a half north of Ash Springs, right before the juncture of Highway 375. The other counter is set up about a half mile or so west upon entering Highway 375. The obvious question is: in such desolate, less-travelled areas of Nevada, why should there be such traffic counters installed on undivided, lonely highways? It is now my belief that the number of cars being registered that head out west on Highway 375 at such times (particularly in 'clusters', such as caravans) is relayed to several of the security posts at AREA 51, including the main observation post high atop the previously mentioned Bald Mountain. However, it is very possible that they may now have more sophisticated devices for registering the number of vehicles

going through the area.

"The February 21, 1990 expedition was instrumental in the subsequent production of a two-hour documentary program entitled 'Saturday Super Special' televised throughout Japan on March 24, 1990 which was seen by more than 28 million viewers on prime time. The entire program dealt with AREA 51 and also the crew's pursuit of an alleged biogenetics laboratory thought to be located just outside of Dulce, a tiny town in northwestern New Mexico, about 95 miles northwest of Los Alamos.

"...The U.S. Naval Research Laboratory...seems to have a Parapsychology Research Unit that coordinates its research activities with DARPA (the Defense Advanced Research Projects Agency). It is my understanding that some of their activities conducted under the auspices of the Office of Naval Intelligence are being held at locations such as AREA 51.

"ELF (extremely low frequency) wave-emitting devices, scalar machines, electromagnetic beam weapons and highly-defined holographic projections are just a few examples of the many new types of mind-control 'weaponry' that the government seems to have developed in the past three decades or so. Newest researches on special types of hallucinatory and memory-tampering drugs are part of a growing 'arsenal' that the U.S. Naval Intelligence boasts to have developed in its own Parapsychology- Mind Control Unit.

"According to recent information provided to me by a highly reliable informant within a special operations group of the Department of the Navy, two of the most widely used devices will be R.H.I.C. (Radio Hypnotic Intra-Cerebral Control) and E.D.O.M. (Electronic Dissolution of Memory). The first of the two, Radio Hypnotic Intra-Cerebral Control, calls for the implantation of a very small, electronic, micro-radio receiver. It acts as a Stimulator which will stimulate a muscle or electronic brain response. This, in turn, can set off a 'Hypno-programmed' cue in the victim or subject, which would illicit a pre-conditioned behavior. The second one, Electronic Dissolution of Memory, calls for remotely-controlled production within the brain of Acetyl-Choline which blocks transmission of nerve impulses in the brain which results in a sort of Selective Amnesia. According to this source, in the hands of certain units within the intelligence community both of these methods are ALREADY BEGINNING TO BE USED!

"An amazing article appeared in the Los Angeles Times on May 12, 1992 announcing that Caltech scientists have recently discovered and confirmed the presence of 'tiny magnetic particles in the brains of humans, similar to those that have heretofore been found in other animals.' (L.A. TIMES, Section A, page 3). According to the Caltech researchers, it is now an undeniable fact that every human brain contains a tiny natural magnetite particle, even from the time of conception. Could the government, particularly the U.S. Naval Research Laboratory, have known this fact for a long time? The answer definitely seems to be in the affirmative! (Note: Perhaps the 'Philadelphia Experiment', mentioned elsewhere in the COSCON files, had an adverse affect on the 'electrochemical' or 'magnetite' particles in the brains of the experimental subjects. Could this explain why so many of them allegedly went insane after the 'tests'? - Branton)

"It is interesting also to note that as of this writing, many strange, turquoise-colored antenna-towers with triangular configurations on top, are beginning to be constructed along key areas near the freeway systems of many U.S. cities, particularly proliferating the Los Angeles and Orange County areas of California. According to several reports, these antenna-towers are presently being used as relay towers for the increasing networks of cellular telephone systems (Note: Cellular phones are very easy to tap-in to, and in some areas one can catch parts of conversations by switching through the high 'channels' of the UHF frequencies on television sets - Branton) and are being operated by such firms as Pacific Bell and Telesis.

"Yet the most interesting aspect of the constructions of these strange antenna-towers is that there are increasing reports that the Department of Defense is somehow involved in this operation. The frequency waves being utilized in the cellular telephone communications are, according to several researchers, strikingly close to the range of frequency waves used in several ELF emission and microwave experiments of the U.S. Naval Research Laboratory as well as D.A.R.P.A., the Defense Advanced Research Projects Agency. Will these towers be utilized throughout the nation?

"...In the meantime, government-sponsored genetics researchers and bio-technology experts at New Mexico's Los Alamos National Laboratory are said to be conducting in-depth studies not only on the total effects of mind-control upon human behavioral patterns but also on its possible applications relative to such areas as genetics engineering and exploration of the human genome.

"A large underground genetics laboratory is thought to be located just outside of Dulce, a tiny town in the midst of the Jicarilla-Apache Indian Reservation located about 95 miles northwest of Los Alamos and 100 miles east of sinister-sounding Highway 666, the only stretch of highway in the U.S. with that designation and the only highway that links the four states of Arizona, New Mexico, Colorado and Utah.

"Perhaps it may just be a pure 'coincidence' that this highway, befittingly named Highway 666, which originated in southeast Arizona and goes up north, cuts into northwestern New Mexico, right near the Four Corners area--an area that happens to have one of the most consistently concentrated UFO sighting reports in the country since around 1947. (Rumors even abound that a mysterious craft of unknown origin had crash-landed in 1948 near Aztec, a small town located roughly midway between Dulce and Highway 666.) This entire Four Corners area, especially northwestern New Mexico and southwestern Colorado (even extending, for that matter, to the entire southern tip of the state) also has had some of the most concentrated reports of unexplained cattle mutilations in the nation during the late seventies and early eighties. Was something covertly taking place in those areas?

"Even though we could not locate the alleged underground genetics laboratory in Dulce when the Nippon Television crew and I visited the area in late February of 1990, I had several opportunities to interview scores of local residents there that admitted that nightly appearances of mysterious lights (occasionally accompanied by unmarked black helicopters)--darting over, into and out of nearby Archuleta Mesa and Archuleta Mountains--were quite common during the late seventies and early eighties.

"Many of them even claim to have spotted, on many occasions, military-type trucks and jeeps as well as government vans passing through Dulce and loitering around nearby mesas. Occasionally even black limousines carrying what appeared to be 'CIA' agent- types were claimed to have been sighted 'loitering' around the foothills of other nearby mesas.

"We must bear in mind that the Dulce area is only 95 miles northwest of Los Alamos. Los Alamos National Laboratory is one of the top U.S. research laboratories specializing in the study of the human genome. Also it is a vital center of the government's SDI research and development programs. Just about a hundred miles southeast of Los Alamos is Albuquerque, New Mexico's largest city, and more significantly, a city where Kirtland Air Force Base is located right next to the sensitive Manzano Storage Facility, a top-secret underground military facility. Sandia Corporation, one of the nations top-secret government contractors specializing in top military-industrial projects is also located in Albuquerque.

"As far as advanced bio-technology is concerned, I have no doubt that a micro-chip implantation

technology is being perfected in which tiny micro-chips could be implanted in our circulatory systems, vital organs and tissues if need be for whatever purpose the future may require. It is my conclusion that a large-scale research has been completed by the government (with possible assistance from 'outside' sources) within the last 20 years or so utilizing tens of thousands of cattle in the Southwest to conduct this covert experiment. Only recently has science proven that cow hemoglobin could be substituted (by utilizing a special purification system) with human blood in situations of 'unforeseen national emergencies.'

According to various sources, 'Area 51' in Nevada, where the S-4, Groom Lake, Dreamland complexes are located, is the same area where the Stealth Bomber, SR-71, 'Star Wars' or SDI Technology, and all manner of aerospace hightech had been developed and tested; these include CIA experiments and tests. Other names for the 'Dreamland' complex include: 'The Ranch' or 'The Skunk Works'. This is where Francis Gary Powers, who flew the ill-fated U-2 spy plane mission which was shot down over Russia (where powers was held prisoner for some time), was trained. Incidentally, there are also rumors that the vast caverns which have been excavated by the underground nuclear blasts in the adjacent Nevada Nuclear Test range, have been and are being connected by underground tunnels and used for top secret purposes.
